## **FISCAL ANALYSIS**

### **ASSUMPTION**

Officials at the **Department of Elementary and Secondary Education (DESE)** assume insignificant costs to the Department. Local school districts may have costs and DESE defers to the districts for impact.

Officials at the **Kansas City, Kirksville R-III** and **West Plains** school districts each assume there is no fiscal impact from this proposal.

**Oversight** notes that currently school districts are to adopt a policy for youth suicide awareness and prevention. This policy is to be in place by July 1, 2018. This proposal allows the school districts to consult with community stakeholders, and mental health professionals when drafting their policy. Oversight assumes that this proposal would not have any additional impact.
