FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Elementary and Secondary Education** assume there is no fiscal impact from this proposal to the Department. They defer to local school districts for impact.

Officials at the **Pettis County R-XII School District** assume \$500 annually for legal analysis of the contract.

Officials at the **Carondelet Leadership Academy, Kansas City, Kearney R-I, Kirksville R-III, Parkway, Special School District of St. Louis, West Plains** and the **Wright City R-II** school districts each assume there is no fiscal impact from this proposal.

Officials at the **Columbia Public Schools** responded to Oversight's request but did not indicate a fiscal impact.

Oversight notes this proposal requires superintendents and assistant superintendents to be employed only by written contract expressly stating the terms and conditions of employment. Oversight is unable to determine how many of the current 518 school districts do not have a written contract for their superintendent or assistant superintendent. Oversight assumes that if a school district does not have a written contract, they could issue one with existing resources. Oversight will not show an impact for this proposal.
