FISCAL NOTE

L.R. No.: 1081-02

Type: Original

Bill No.: SCS for HB 349

Date: April 21, 2017

Subject: Health Care; Veterinarians

Bill Summary: This proposal provides that inspections of certain x-ray systems shall not be required more frequently than every four years.

State Fiscal Highlights

- No direct fiscal impact on the state is anticipated.

Local Fiscal Highlights

- No direct fiscal impact on local political subdivisions is anticipated.

Fiscal Analysis

Officials from the **Department of Agriculture**, the **Department of Health and Senior Services** and the **Department of Insurance, Financial Institutions and Professional Registration** each assume the proposal would not fiscally impact their respective agencies.

This proposal may result in minimal administrative savings on small business dentists and veterinary offices. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
