## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with the core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

**Oversight** assumes the SOS could absorb the costs of printing and distributing regulations related to this proposal. If multiple bills pass which require the printing and distribution of regulations at substantial costs, the SOS could request funding through the appropriation process.

Officials from the **Kansas City Election Board** assume the fiscal impact of this proposal will be minimal (less than \$500 per election).

Officials from the **Platte County Board of Elections, State Tax Commission, St. Louis County Board of Election Commission** and **Jackson County Election Board** each assume the proposal will have no fiscal impact on their respective organizations.

Officials at the following boards of election commission: St. Louis City Board of Election Commission and Clay County Board of Election Commission did not respond to **Oversight's** request for fiscal impact.

Officials at the following counties: Andrew, Atchison, Boone, Buchanan, Camden, Carroll, Christian, Clay, Cole, Cooper, Daviess, Franklin, Knox, Marion, Miller, Montgomery, New Madrid, Phelps, Platte, and Wayne did not respond to **Oversight's** request for fiscal impact.
