FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Insurance, Financial Institutions and Professional Registration** assume the department can handle the provisions of this bill, as amended, under existing appropriations. However, should the number of licensees requesting to receive a duplicate license be larger than anticipated, the department may have to request additional appropriations through the budget process.

Officials from the **Department of Health and Senior Services** assume the proposal, as amended, will have no fiscal impact on their organization.

House Amendment 2 as Amended

In response to similar versions to this proposal (HB 1192 and SB 536), officials from the **Department of Social Services** and the **Office of the Governor** each assumed the proposal will have no fiscal impact on their respective organizations.

FISCAL IMPACT - Small Business
