AN ACT

To amend chapter 290, RSMo, by adding thereto one new section relating to wages for work done on behalf of a school.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 290, RSMo, is amended by adding thereto one new section, to be known as section 290.344, to read as follows:

290.344. 1. This section shall be known and may be cited as the "School Construction Act". The provisions of this section are intended solely to assist school districts in obtaining the maximum value from their tax dollars expended for the construction and maintenance of their educational facilities.

2. Notwithstanding any provision of law to the contrary, for work done on behalf of a school, a school district in any county, except a county with a charter form of government, may exempt itself from the provisions of sections 290.210 to 290.340 upon majority vote of the school board of such district. If the school district exempts itself from sections 290.210 to 290.340, the school district shall notify the division of labor standards within the department of labor and industrial relations of such exemption.
