*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Chapter 161, RSMo, is amended by adding thereto four new sections, to be known as sections 161.950, 161.952, 161.954, and 161.956, to read as follows:

**161.950. 1. The provisions of sections 161.950 to 161.956 shall be known as the "Missouri Parent/Teacher Involvement Act". The "Missouri Parent/Teacher Involvement Program" is hereby established for the purpose of providing grant awards to schools in which a majority of school staff, including administrators, teachers, counselors, and other support staff, agree to develop and build trusting relationships with families, thereby increasing communication and accountability, with the goal of contributing to the academic and social success of pupils. The department of elementary and secondary education shall coordinate and administer the program. Priority for distribution of grant moneys under the program established under sections 161.950 to 161.956 shall be given to districts with Missouri assessment program scores in the lowest twentieth percentile.**

**2. Schools within the state that serve any students in kindergarten or any grade not higher than grade twelve shall operate parent/teacher involvement programs that meet the following requirements:**

**(1) At least fifty percent of the staff employed at the school site shall voluntarily agree to participate in either periodic visits to the homes of pupils or in community meetings that are held at times and locations convenient to parents and legal guardians;**

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

17           (2) Prior to the commencement of home visits, a school shall establish a compact  
18 in which parents and legal guardians agree to participate in periodic home visits or  
19 community meetings;

20           (3) A teacher who participates in the program shall receive training in strategies  
21 for communicating effectively with parents and legal guardians and in conducting periodic  
22 home visits or community meetings. These strategies may include providing parents and  
23 legal guardians with guidance on how to reinforce educational objectives with their  
24 children at home;

25           (4) Teachers, administrators, counselors, and other support staff shall be  
26 compensated for their participation in home visits or community meetings at an hourly rate  
27 no less than the hourly rate derived from their regular base salary; and

28           (5) All home visits and community meetings under the program shall be conducted  
29 by a pair or team that includes at least one staff member and, in the case of schools  
30 maintaining K-5, the classroom teacher of the pupil.

31

32 For purposes of this subsection, the term "community meetings" means periodic public  
33 meetings between the teacher and the parent or legal guardian held by schools for the  
34 purpose of strengthening communication between the schools and parents and legal  
35 guardians for the improvement of pupil academic achievement.

161.952. 1. Beginning with school year 2018-19, each school board shall adopt a  
2 policy on parental involvement in the schools of the district. The policy shall be designed  
3 to build consistent and effective communication between the parents and guardians of  
4 pupils enrolled in the district and the teachers and administrators assigned to the schools  
5 the pupils attend. The policy shall provide the opportunity for parents and guardians to  
6 be actively involved in the pupil's education and to be informed of the following:

7           (1) The importance of the involvement of parents and guardians in directly  
8 affecting the success of their children's educational efforts;

9           (2) How and when to assist their children or foster children in learning activities  
10 and support their children's or foster children's classroom learning activities; and

11           (3) Techniques, strategies, and skills to use at home to improve their children's  
12 academic success and to support their children's academic efforts at school and their  
13 development as future responsible adult members of society.

14           2. The state board of education shall adopt recommendations for the development  
15 of parental involvement policies under this section.

161.954. 1. There is hereby created in the state treasury the "Missouri  
2 Parent/Teacher Involvement Program Fund", which shall consist of moneys appropriated

3 for the program established under section 161.950. The state treasurer shall be custodian  
4 of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may  
5 approve disbursements. The fund shall be a dedicated fund and, upon appropriation,  
6 moneys in the fund shall be used solely for the administration of sections 161.950 to  
7 161.956.

8 2. Notwithstanding the provisions of section 33.080 to the contrary, any moneys  
9 remaining in the fund at the end of the biennium shall not revert to the credit of the  
10 general revenue fund.

11 3. The state treasurer shall invest moneys in the fund in the same manner as other  
12 funds are invested. Any interest and moneys earned on such investments shall be credited  
13 to the fund.

161.956. Under section 23.253 of the Missouri sunset act:

2 (1) The provisions of the new program authorized under sections 161.950 to  
3 161.956 shall automatically sunset six years after the effective date of sections 161.950 to  
4 161.956 unless reauthorized by an act of the general assembly; and

5 (2) If such program is reauthorized, the program authorized under sections 161.950  
6 to 161.956 shall automatically sunset twelve years after the effective date of the  
7 reauthorization of sections 161.950 to 161.956; and

8 (3) Sections 161.950 to 161.956 shall terminate on September first of the calendar
