Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Chapter 160, RSMo, is amended by adding thereto one new section, to be known as section 160.670, to read as follows:

160.670. 1. A school board member in any school district may be removed by voters in a recall election. Such election shall be held upon the submission of a petition signed by voters of the district equal in number to at least one percent of the number of persons voting at the last preceding election to elect a district board member. The petition shall be filed with the election authority and the secretary of the district board of education, and the petition shall contain a general statement of the grounds for which removal is sought. The signatures to the petition need not all be appended to one paper, but each signer shall provide the street and number of his or her residence. The person who files the petition with the election authority shall sign an affidavit that the signatures attached are true and correct to the best of his or her knowledge.

2. (1) Within thirty days from the date of filing the petition, the election authority shall examine and ascertain whether the petition is signed by the requisite number of voters. The election authority shall attach to the petition his or her certificate, showing the result of the examination.

(2) If the election authority finds the petition to be insufficient, the petition shall be returned to the person filing the petition, without prejudice to the filing of a new petition to the same effect.
