To repeal section 338.060, RSMo, and to enact in lieu thereof two new sections relating to the Tricia Leann Tharp act.

Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 338.060, RSMo, is repealed and two new sections enacted in lieu thereof, to be known as sections 338.060 and 338.061, to read as follows:

338.060. 1. Every licensed pharmacist or permit holder who desires to continue in the practice of this profession shall, within thirty days before the license expiration date, file an application for the renewal, which application shall be accompanied by the fee prescribed in sections 338.010 to 338.198.

2. If any pharmacist fails, after the expiration of the pharmacist's license, to make application to the board for its renewal, the pharmacist's name shall be removed from the register of licensed pharmacists, and such person, in order to again become registered as a licensed pharmacist, shall be required to pay all delinquent fees. Any pharmacist who fails to renew the pharmacist's license within two years of its expiration and then desires to be preregistered shall be treated in the same manner as a person who has never been licensed. Any registered pharmacist whose certificate of registration has expired while the pharmacist has been engaged in active duty with the United States Army, United States Navy, United States Air Force, the Marine Corps, Coast Guard, or any other branch of the armed services or the state militia called into the service or training of the United States of America, or in training or education under the supervision of the United States preliminary to induction into the military services may have the pharmacist's certificate of registration renewed without paying any lapse, renewal or registration fee or without passing any examination, if within one year after the termination of such service,

35 An inactive license shall then be issued, and may be renewed biennially. While the inactive
36 license is in effect the pharmacist shall not practice pharmacy. The inactive license may be

8 **continuing education hours required by the board.**

9 **3. The board shall develop guidelines suitable for training materials that may be**
10 **used by accredited schools of pharmacy and other organizations and courses approved by**
11 **the American Council on Pharmaceutical Education; except that, schools of pharmacy may**

13 **4. The continuing education required under this section may be satisfied through**
14 **self-review of suicide prevention materials that meet the guidelines developed by the board**
15 **of pharmacy.**

16 **5. No person shall have a cause of action for any loss or damages caused by any act**
17 **or omission resulting from the implementation of this section or resulting from any**
18 **training or lack of training required by this section unless the loss or damages were caused**
19 **by willful or wanton misconduct. The training or lack of training required by this section**
20 **shall not be construed to impose any specific duty of care.**

21 **6. The board of pharmacy may promulgate rules to implement the provisions of**
22 **this section. Any rule or portion of a rule, as that term is defined in section 536.010, that**
23 **is created under the authority delegated in this section shall become effective only if it**
24 **complies with and is subject to all of the provisions of chapter 536 and, if applicable,**
25 **section 536.028. This section and chapter 536 are nonseverable, and if any of the powers**
26 **vested with the general assembly pursuant to chapter 536 to review, to delay the effective**
27 **date, or to disapprove and annul a rule are subsequently held unconstitutional, then the**
28 **grant of rulemaking authority and any rule proposed or adopted after August 28, 2017,**
29 **shall be invalid and void.**
