

HCS HB 122 -- PHYSICIANS SPORTS MEDICINE SERVICES (Frederick)

COMMITTEE OF ORIGIN: Standing Committee on Health and Mental Health Policy

This bill permits a physician to travel into Missouri with an athletic team and provide sports-related medical services to specified individuals related to the athletic team so long as the physician is currently licensed to practice medicine in another state and has a written agreement with an athletic team located in the state where the physician is licensed. The bill prohibits such physician from providing medical services at a health care facility in Missouri.

This bill is similar to HB 2810 (2016).
