

HCS HB 330 -- ASSISTANT PHYSICIANS (Morris)

COMMITTEE OF ORIGIN: Standing Committee on Health and Mental Health Policy

This bill requires any medical school graduate who has met the requirements to be an assistant physician between August 28, 2014 and August 28, 2017 and who applies for licensure as of the effective date of the bill to be deemed in compliance with the provisions of the bill.

This bill has an emergency clause.
