

HB 503 -- LAW ENFORCEMENT OFFICER IDENTIFICATION NUMBERING SYSTEM

SPONSOR: Ellington

This bill requires the Department of Public Safety to create a law enforcement officer identification numbering system. Each law enforcement officer in Missouri will be assigned a unique identification number used to track all written complaints filed against a law enforcement officer.

The bill creates the "Law Enforcement Officer Identification Numbering System Fund." The fund will consist of moneys appropriated by the General Assembly and any grants, gifts, bequests, or donations.

This bill is similar to HB 1522 (2016).
