

HB 570 -- REAL ID ACT COMPLIANT DRIVER'S LICENSES

SPONSOR: Dohrman

This bill makes necessary changes to Missouri law to allow the Department of Revenue to meet the requirements of the federal REAL ID Act of 2005 so that the department can issue a REAL ID compliant driver's and nondriver's license to Missouri residents. A REAL ID compliant license will provide Missouri residents with continued access to federal buildings, military bases, and domestic airline travel.

The bill requires the Department of Revenue to amend its procedures and begin issuing REAL ID compliant licenses to any applicant, unless he or she specifically requests a noncompliant license.

This bill also removes outdated language relating to acts the Department of Revenue was required to perform by December 31, 2013, and language relating to the department issuing concealed carry endorsements, which it no longer has the authority to do.
