

HB 745 -- School Bathrooms and Locker Rooms

SPONSOR: Brattin

This bill requires that all school restrooms, locker rooms, and shower rooms accessible for use by multiple students must be designated for and used by male or female students only. It prohibits a student from accessing a public school restroom, locker room, or shower room designated for use by the opposite biological sex. The bill provides for accommodations for students who assert that his or her gender is different from his or her biological sex. Such accommodations must include but not be limited to single-stall restrooms, access to unisex restrooms, or controlled use of faculty restrooms, locker rooms, or shower rooms.

This bill is similar to SB 98 (2017).
