

HB 894 -- "NONE OF THE ABOVE" ELECTION OPTION

SPONSOR: Korman

This bill requires the use of a "none of the above" option on ballots for United States Senator or Congressman, statewide office, General Assembly members, and circuit judges. If the "none of the above" option prevails in any particular vote, then new candidates are chosen and a special election is held under Section 115.127, RSMo, to pick a winner without the use of the "none of the above" option.
