

HB 957 -- STATUTORY COUNTY RECORDER'S FUND

SPONSOR: Rhoads

This bill increases from \$5 to \$6 a fee that is charged and collected by the county recorder on each instrument recorded. The extra \$1 will increase from \$2 to \$3 the part of the fee that is distributed to the statutory county recorder's fund.

The bill also provides a method by which distributions from the fund will be allocated among counties if collections fall below distributions.
