

HB 1165 -- ABUSIVE CONDUCT DIRECTED TOWARD SCHOOL EMPLOYEES

SPONSOR: Houghton

This bill requires each school board and each governing body of a charter school to establish a policy regarding abusive conduct. Such policy must include: language prohibiting abusive conduct, language prohibiting making a false report of abusive conduct, parental notification of an incident of abusive conduct involving the parent's student, and a grievance process for a school employee who has experienced abusive conduct.

A copy of the policy must be distributed to parents and included in any student and employee handbook. Abusive conduct is defined within the bill.
