

## HJR 7 -- GENERAL ASSEMBLY TERM LIMITS

SPONSOR: Kendrick

This bill imposes the same term limits on all statewide elected officials as the current term limits for the offices of Governor and Treasurer. The term limits will be a period of two terms in office, two separate four year terms, with an additional exception for holding office for less than two years during a term to which another individual was originally elected.

This bill is similar to HJR 70 (2014).
