

HCS SB 30 -- POLITICAL SUBDIVISION POWERS

SPONSOR: Sater (Fitzpatrick)

COMMITTEE ACTION: Voted "Do Pass with HCS" by the Standing Committee on Local Government by a vote of 12 to 0.

The bill allows the board of alderman in a city of the fourth class to sell a water or wastewater system once it is approved by a simple majority of the voters, rather than a two-thirds majority.

This bill authorizes a county commission to combine two or more road districts within the county upon petition request by a majority of the commissioners in each of the road districts seeking to be combined. The county commission must hold a public hearing after publishing notice for a period of four weeks in a newspaper of general circulation in the county. The county may issue an order to consolidate the districts if it finds, after the public hearing, that the consolidation is in the public good. The bill also designates the procedure for appointing commissioners to the new consolidated district and transferring of assets, liabilities, and tax levies. The provisions for consolidation do not apply to road districts located in two counties.

PROPONENTS: Supporters say that allowing the road districts to consolidate would result in a better utilization of their collective resources.

Testifying for the bill was Senator Sater.

OPPONENTS: There was no opposition voiced to the committee.
