an employee is authorized to work in the United States, the attorney general shall take no further
action on the complaint until a verification from the federal government concerning the status of the
individual is received. At no point shall any state official attempt to make an independent
determination of any alien's legal status without verification from the federal government.

[The correction of a violation with respect to the employment of an unauthorized alien 16 shall include the following actions: 17 (1) (a) The business entity terminates the unauthorized alien's employment. If the business 18 entity attempts to terminate the unauthorized alien's employment and such termination is challenged 19 in a court of the state of Missouri, the fifteen-business-day period for providing information to the 20 attorney general referenced in subsection 3 of this section shall be tolled while the business entity 21 pursues the termination of the unauthorized alien's employment in such forum; or 22 (b) The business entity, after acquiring additional information from the employee, requests a 23 secondary or additional verification by the federal government of the employee's authorization, 24 under the procedures of a federal work authorization program. While this verification is pending, 25 the fifteen-business-day period for providing information to the attorney general referenced in 26 subsection 3 of this section shall be tolled; and 27 (2) A legal representative of the business entity submits, at an office designated by the 28 attorney general, the following: 29 (a) A sworn affidavit stating that the violation has ended that shall include a description of 30 the specific measures and actions taken by the business entity to end the violation, and the name, 31 address, and other adequate identifying information for any unauthorized aliens related to the 32 complaint; and 33 (b) Documentation acceptable to the attorney general which confirms that the business 34 entity has enrolled in and is participating in a federal work authorization program. 35 7. The suspension of a business license or licenses under subsection 5 of this section shall terminate one business day after a legal representative of the business entity submits the affidavit 36 37 and other documentation required under subsection 6 of this section following any period of 38 restriction required under subsection 5 of this section. 39 8. For an entity that violates subsection 1 of section 285.530 for a second time, the court 40 shall direct the applicable municipal or county governing body to suspend, for one year, the business permit, if such exists, and any applicable license or exemptions of the business entity. For a 41 42 subsequent violation, the court shall direct the applicable municipal or county governing body to 43 forever suspend the business permit, if such exists, and any applicable license or exemptions of the 44 business entity. 45 9.] In addition to the penalties in [subsections] subsection 5 [and 8] of this section: 46 (1) Upon the first violation of subsection 1 of section 285.530 by any business entity 47 awarded a state contract or grant or receiving a state-administered tax credit, tax abatement, or loan 48 from the state, the business entity shall be deemed in breach of contract and the state may terminate

1 the contract and suspend or debar the business entity from doing business with the state for a period

2 of three years. Upon such termination, the state may withhold up to twenty-five percent of the total 3 amount due to the business entity;

4 (2) Upon a second or subsequent violation of subsection 1 of section 285.530 by any 5 business entity awarded a state contract or grant or receiving a state-administered tax credit, tax 6 abatement, or loan from the state, the business entity shall be deemed in breach of contract and the 7 state may terminate the contract and permanently suspend or debar the business entity from doing 8 business with the state. For purposes of this subsection, "frivolous" shall mean a complaint not shown by clear and convincing evidence to be 18 19 valid. Any person who submits a frivolous complaint shall be liable for actual, compensatory, and 20 punitive damages to the alleged violator for holding the alleged violator before the public in a false 21 light. If the court finds that a complaint is frivolous or that there is not probable cause to believe 22 there has been a violation, the attorney general shall issue a public report to the complainant and the 23 alleged violator stating with particularity its reasons for dismissal of the complaint. Upon such 24 issuance, the complaint and all materials relating to the complaint shall be a public record as defined 25 in chapter 610.

26 [13.] 10. The determination of whether a worker is an unauthorized alien shall be made by 27 the federal government. A determination of such status of an individual by the federal government 28 shall create a rebuttable presumption as to that individual's status in any judicial proceedings brought under this section or section 285.530. The court may take judicial notice of any verification 29 of an individual's status previously provided by the federal government and may request the federal 30 31 government to provide automated or testimonial verification.

32 [14.] 11. Compensation, whether in money or in kind or in services, [knowingly] provided 33 to any unauthorized alien shall not be allowed as a business expense deduction from any income or 34 business taxes of this state.
