

House _____ Amendment NO. _____

Offered By

1 AMEND Senate Bill No. 626, Page 3, Section 292.606, Line 85, by inserting immediately after all
2 of said section and line the following:

3
4 "414.032. 1. All kerosene, diesel fuel, heating oil, aviation turbine fuel, gasoline, gasoline-
5 alcohol blends and other motor fuels shall meet the requirements in the annual book of ASTM
6 standards and supplements thereto. The director may promulgate rules and regulations on the
7 labeling, standards for, and identity of motor fuels and heating oils.

8 2. The director may inspect gasoline, gasoline-alcohol blends or other motor fuels to insure
9 that these fuels conform to advertised grade and octane. In no event shall the penalty for a first
10 violation of this section exceed a written reprimand.

11 3. The director may waive specific requirements in this section and in regulations
12 promulgated according to this section, or may establish temporary alternative requirements for fuels
13 as determined to be necessary in the event of an extreme and unusual fuel supply circumstance as a
14 result of a petroleum pipeline or petroleum refinery equipment failure, emergency, or a natural
15 disaster as determined by the director for a specified period of time. If any action is taken by the
16 director under this section, the director shall:

17 (1) Advise the U.S. Environmental Protection Agency of such action;

18 (2) Review the action after thirty days; and

19 (3) Notify industry stakeholders of such action.

20 4. Any waiver issued or action taken under subsection 3 of this section shall be as limited in
21 scope and applicability as necessary, and shall apply equally and uniformly to all persons and
22 companies in the impacted petroleum motor fuel supply and distribution system, including but not
23 limited to petroleum producers, terminals, distributors, and retailers."; and
24

25 Further amend said bill by amending the title, enacting clause, and intersectional references
26 accordingly.
