

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By

1 AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for  
2 Senate Bill No. 826, Page 17, Section 338.056, Line 38, by inserting after all of said section and  
3 line the following:

4  
5 "630.1010. The department of mental health shall develop a treatment protocol containing  
6 best practice guidelines for the treatment of opioid-dependent patients. The treatment protocol shall  
7 include the following:

8 (1) Appropriate clinical use of all drugs approved by the federal Food and Drug  
9 Administration for the treatment of opioid addiction, including, but not limited to, the following:

10 (a) Opioid maintenance;

11 (b) Opioid detoxification;

12 (c) Overdose reversal; and

13 (d) Long acting, antagonist medication;

14 (2) Training for prescribers dispensing narcotic drugs for the treatment and management of  
15 opiate-dependent patients consistent with the federal Controlled Substances Act, as amended by  
16 Section 303 of the Comprehensive Addiction and Recovery Act of 2016; and

17 (3) Development and adoption of standard processes for obtaining informed consent from  
18 patients concerning all available medication-assisted treatment options, including potential benefits  
19 and risks."; and

20  
21 Further amend said bill by amending the title, enacting clause, and intersectional references  
22 accordingly.
