

House _____ Amendment NO. _____

Offered By

1 AMEND House Committee Substitute for House Bill No. 1554, Page 7, Section 195.207, Line 23,
2 by inserting immediately after the word "cannabidiol" the words "and all other cannabinoid
3 compounds, terpenes, and solvents"; and
4

5 Further amend said bill, Page 11, Section 261.265, Line 114, by inserting after the word
6 "pesticides." the following:
7

8 "The department shall only designate testing facilities that maintain internal standard operating
9 procedures, maintain quality control and quality assurance programs, and are certified by the
10 International Organization for Standardization and agree to have the inspections and reports of the
11 International Organization for Standardization made available to the department. The department or
12 an independent third party authorized by the department may conduct an inspection of the practices,
13 procedures, and programs adopted, followed, and maintained pursuant to this subdivision and
14 inspect all records of the independent testing facility that are related to the inspection."; and
15

16 Further amend said bill, page, and section, Lines 117 and 118, by deleting said lines and inserting in
17 lieu thereof the following:
18

19 "the department for destruction; [~~and~~]

20 (6) Requirements that each independent testing facility shall:

21 (a) Follow the most recent version of the Cannabis Inflorescence: Standards of Identity,
22 Analysis, and Quality Control monograph published by the American Herbal Pharmacopoeia; or

23 (b) Notify the department of the alternative testing methodology that the facility is
24 following for each quality assurance test it conducts. The department may require the independent
25 testing facility to have the testing methodology followed under this paragraph validated by an
26 independent third party to ensure that the methodology followed by the facility produces
27 scientifically accurate results before the facility may use the methodology when conducting testing
28 services;

29 (7) Rules for an independent testing facility to have its basic proficiency to execute
30 correctly the analytical testing methodologies used by the facility validated and monitored on an
31 ongoing basis by an independent third party; and

32 [~~(6)~~] (8) Rules regarding the manufacture, storage, and transportation of hemp, [~~and~~]
33 hemp"; and
34

35 Further amend said bill by amending the title, enacting clause, and intersectional references
36 accordingly.
