7 "160.261. 1. The local board of education of each school district shall clearly establish a  
8 written policy of discipline, including the district's determination on the use of corporal punishment  
9 and the procedures in which punishment will be applied. A written copy of the district's discipline  
10 policy and corporal punishment procedures, if applicable, shall be provided to the pupil and parent  
11 or legal guardian of every pupil enrolled in the district at the beginning of each school year and also  
12 made available in the office of the superintendent of such district, during normal business hours, for  
13 public inspection. The district may satisfy this notice requirement by posting a copy of the policy  
14 and procedures on the district's website. All employees of the district shall annually receive  
15 instruction related to the specific contents of the policy of discipline and any interpretations  
16 necessary to implement the provisions of the policy in the course of their duties, including but not  
17 limited to approved methods of dealing with acts of school violence, disciplining students with  
18 disabilities and instruction in the necessity and requirements for confidentiality.

19 2. The policy shall require school administrators to report acts of school violence to all  
20 teachers at the attendance center and, in addition, to other school district employees with a need to  
21 know. For the purposes of this chapter or chapter 167, "need to know" is defined as school  
22 personnel who are directly responsible for the student's education or who otherwise interact with the  
23 student on a professional basis while acting within the scope of their assigned duties. As used in  
24 this section, the phrase "act of school violence" or "violent behavior" means the exertion of physical  
25 force by a student with the intent to do serious physical injury as defined in section 556.061 to  
26 another person while on school property, including a school bus in service on behalf of the district,  
27 or while involved in school activities. The policy shall at a minimum require school administrators  
28 to report, as soon as reasonably practical, to the appropriate law enforcement agency any of the  
29 following crimes, or any act which if committed by an adult would be one of the following crimes:

- 30 (1) First degree murder under section 565.020;  
31 (2) Second degree murder under section 565.021;  
32 (3) Kidnapping under section 565.110 as it existed prior to January 1, 2017, or kidnapping

35 committed on school property, including but not limited to actions on any school bus in service on  
 36 behalf of the district or while involved in school activities. The policy shall require that any portion  
 37 of a student's individualized education program that is related to demonstrated or potentially violent  
 38 behavior shall be provided to any teacher and other school district employees who are directly  
 39 responsible for the student's education or who otherwise interact with the student on an educational  
 40 basis while acting within the scope of their assigned duties. The policy shall also contain the  
 41 consequences of failure to obey standards of conduct set by the local board of education, and the  
 42 importance of the standards to the maintenance of an atmosphere where orderly learning is possible  
 43 and encouraged.

44 3. The policy shall provide that any student who is on suspension for any of the offenses  
 45 listed in subsection 2 of this section or any act of violence or drug-related activity defined by school  
 46 district policy as a serious violation of school discipline pursuant to subsection 9 of this section shall  
 47 have as a condition of his or her suspension the requirement that such student is not allowed, while  
 48 on such suspension, to be within one thousand feet of any school property in the school district

1 where such student attended school or any activity of that district, regardless of whether or not the  
2 activity takes place on district property unless:

3 (1) Such student is under the direct supervision of the student's parent, legal guardian, or  
4 custodian and the superintendent or the superintendent's designee has authorized the student to be on  
5 school property;

6 (2) Such student is under the direct supervision of another adult designated by the student's  
7 parent, legal guardian, or custodian, in advance, in writing, to the principal of the school which  
8 suspended the student and the superintendent or the superintendent's designee has authorized the  
9 student to be on school property;

10 (3) Such student is enrolled in and attending an alternative school that is located within one  
11 thousand feet of a public school in the school district where such student attended school; or

12 (4) Such student resides within one thousand feet of any public school in the school district  
13 where such student attended school in which case such student may be on the property of his or her  
14 residence without direct adult supervision.

15 4. Any student who violates the condition of suspension required pursuant to subsection 3 of  
16 this section may be subject to expulsion or further suspension pursuant to the provisions of sections  
17 167.161, 167.164, and 167.171. In making this determination consideration shall be given to  
18 whether the student poses a threat to the safety of any child or school employee and whether such  
19 student's unsupervised presence within one thousand feet of the school is disruptive to the  
20 educational process or undermines the effectiveness of the school's disciplinary policy. Removal of  
21 any pupil who is a student with a disability is subject to state and federal procedural rights. This  
22 section shall not limit a school district's ability to:

23 (1) Prohibit all students who are suspended from being on school property or attending an  
24 activity while on suspension;

25 (2) Discipline students for off-campus conduct that negatively affects the educational  
26 environment to the extent allowed by law.

27 5. The policy shall provide for a suspension for a period of not less than one year, or  
28 expulsion, for a student who is determined to have brought a weapon to school, including but not  
29 limited to the school playground or the school parking lot, brought a weapon on a school bus or  
30 brought a weapon to a school activity whether on or off of the school property in violation of  
31 district policy, except that:

32 (1) The superintendent or, in a school district with no high school, the principal of the  
33 school which such child attends may modify such suspension on a case-by-case basis; and

34 (2) This section shall not prevent the school district from providing educational services in  
35 an alternative setting to a student suspended under the provisions of this section.

36 6. For the purpose of this section, the term "weapon" shall mean a firearm as defined under  
37 18 U.S.C. Section 921 and the following items, as defined in section 571.010: a blackjack, a  
38 concealable firearm, an explosive weapon, a firearm, a firearm silencer, a gas gun, a knife,  
39 knuckles, a machine gun, a projectile weapon, a rifle, a shotgun, a spring gun or a switchblade  
40 knife; except that this section shall not be construed to prohibit a school board from adopting a  
41 policy to allow a Civil War reenactor to carry a Civil War era weapon on school property for  
42 educational purposes so long as the firearm is unloaded. The local board of education shall define  
43 weapon in the discipline policy. Such definition shall include the weapons defined in this  
44 subsection but may also include other weapons.

45 7. All school district personnel responsible for the care and supervision of students are  
46 authorized to hold every pupil strictly accountable for any disorderly conduct in school or on any  
47 property of the school, on any school bus going to or returning from school, during school-  
48 sponsored activities, or during intermission or recess periods.

1 8. Teachers and other authorized district personnel in public schools responsible for the  
2 care, supervision, and discipline of schoolchildren, including volunteers selected with reasonable  
3 care by the school district, shall not be civilly liable when acting in conformity with the established  
4 policies developed by each board, including but not limited to policies of student discipline or when  
5 reporting to his or her supervisor or other person as mandated by state law acts of school violence or  
6 threatened acts of school violence, within the course and scope of the duties of the teacher,  
7 authorized district personnel or volunteer, when such individual is acting in conformity with the  
8 established policies developed by the board. Nothing in this section shall be construed to create a  
9 new cause of action against such school district, or to relieve the school district from liability for the  
10 negligent acts of such persons.

11 9. Each school board shall define in its discipline policy acts of violence and any other acts  
12 that constitute a serious violation of that policy. "Acts of violence" as defined by school boards  
13 shall include but not be limited to exertion of physical force by a student with the intent to do  
14 serious bodily harm to another person while on school property, including a school bus in service on  
15 behalf of the district, or while involved in school activities. School districts shall for each student  
16 enrolled in the school district compile and maintain records of any serious violation of the district's  
17 discipline policy. Such records shall be made available to teachers and other school district  
18 employees with a need to know while acting within the scope of their assigned duties, and shall be  
19 provided as required in section 167.020 to any school district in which the student subsequently  
20 attempts to enroll.

21 10. Spanking, when administered by certificated personnel and in the presence of a witness  
22 who is an employee of the school district, or the use of reasonable force to protect persons or  
23 property, when administered by personnel of a school district in a reasonable manner in accordance  
24 with the local board of education's written policy of discipline, is not abuse within the meaning of  
25 chapter 210. The provisions of sections 210.110 to 210.165 notwithstanding, the children's division  
26 shall not have jurisdiction over or investigate any report of alleged child abuse arising out of or  
27 related to the use of reasonable force to protect persons or property when administered by personnel  
28 of a school district or any spanking administered in a reasonable manner by any certificated school  
29 personnel in the presence of a witness who is an employee of the school district pursuant to a  
30 written policy of discipline established by the board of education of the school district, as long as no  
31 allegation of sexual misconduct arises from the spanking or use of force.

32 11. If a student reports alleged sexual misconduct on the part of a teacher or other school  
33 employee to a person employed in a school facility who is required to report such misconduct to the  
34 children's division under section 210.115, such person and the superintendent of the school district  
35 shall report the allegation to the children's division as set forth in section 210.115. Reports made to  
36 the children's division under this subsection shall be investigated by the division in accordance with  
37 the provisions of sections 210.145 to 210.153 and shall not be investigated by the school district  
38 under subsections 12 to 20 of this section for purposes of determining whether the allegations  
39 should or should not be substantiated. The district may investigate the allegations for the purpose of  
40 making any decision regarding the employment of the accused employee.

41 12. Upon receipt of any reports of child abuse by the children's division other than reports  
42 provided under subsection 11 of this section, pursuant to sections 210.110 to 210.165 which  
43 allegedly involve personnel of a school district, the children's division shall notify the  
44 superintendent of schools of the district or, if the person named in the alleged incident is the  
45 superintendent of schools, the president of the school board of the school district where the alleged  
46 incident occurred.

47 13. If, after an initial investigation, the superintendent of schools or the president of the  
48 school board finds that the report involves an alleged incident of child abuse other than the

1 administration of a spanking by certificated school personnel or the use of reasonable force to  
2 protect persons or property when administered by school personnel pursuant to a written policy of  
3 discipline or that the report was made for the sole purpose of harassing a public school employee,  
4 the superintendent of schools or the president of the school board shall immediately refer the matter  
5 back to the children's division and take no further action. In all matters referred back to the  
6 children's division, the division shall treat the report in the same manner as other reports of alleged  
7 child abuse received by the division.

8 14. If the report pertains to an alleged incident which arose out of or is related to a spanking  
9 administered by certificated personnel or the use of reasonable force to protect persons or property  
10 when administered by personnel of a school district pursuant to a written policy of discipline or a  
11 report made for the sole purpose of harassing a public school employee, a notification of the  
12 reported child abuse shall be sent by the superintendent of schools or the president of the school  
13 board to the law enforcement in the county in which the alleged incident occurred.

14 15. The report shall be jointly investigated by the law enforcement officer and the  
15 superintendent of schools or, if the subject of the report is the superintendent of schools, by a law  
16 enforcement officer and the president of the school board or such president's designee.

17 16. The investigation shall begin no later than forty-eight hours after notification from the  
18 children's division is received, and shall consist of, but need not be limited to, interviewing and  
19 recording statements of the child and the child's parents or guardian within two working days after  
20 the start of the investigation, of the school district personnel allegedly involved in the report, and of  
21 any witnesses to the alleged incident.

22 17. The law enforcement officer and the investigating school district personnel shall issue  
23 separate reports of their findings and recommendations after the conclusion of the investigation to  
24 the school board of the school district within seven days after receiving notice from the children's  
25 division.

26 18. The reports shall contain a statement of conclusion as to whether the report of alleged  
27 child abuse is substantiated or is unsubstantiated.

28 19. The school board shall consider the separate reports referred to in subsection 17 of this  
29 section and shall issue its findings and conclusions and the action to be taken, if any, within seven  
30 days after receiving the last of the two reports. The findings and conclusions shall be made in  
31 substantially the following form:

32 (1) The report of the alleged child abuse is unsubstantiated. The law enforcement officer  
33 and the investigating school board personnel agree that there was not a preponderance of evidence  
34 to substantiate that abuse occurred;

35 (2) The report of the alleged child abuse is substantiated. The law enforcement officer and  
36 the investigating school district personnel agree that the preponderance of evidence is sufficient to  
37 support a finding that the alleged incident of child abuse did occur;

38 (3) The issue involved in the alleged incident of child abuse is unresolved. The law  
39 enforcement officer and the investigating school personnel are unable to agree on their findings and  
40 conclusions on the alleged incident.

41 20. The findings and conclusions of the school board under subsection 19 of this section  
42 shall be sent to the children's division. If the findings and conclusions of the school board are that  
43 the report of the alleged child abuse is unsubstantiated, the investigation shall be terminated, the  
44 case closed, and no record shall be entered in the children's division central registry. If the findings  
45 and conclusions of the school board are that the report of the alleged child abuse is substantiated, the  
46 children's division shall report the incident to the prosecuting attorney of the appropriate county  
47 along with the findings and conclusions of the school district and shall include the information in  
48 the division's central registry. If the findings and conclusions of the school board are that the issue

1 involved in the alleged incident of child abuse is unresolved, the children's division shall report the  
 2 incident to the prosecuting attorney of the appropriate county along with the findings and  
 3 conclusions of the school board, however, the incident and the names of the parties allegedly  
 4 involved shall not be entered into the central registry of the children's division unless and until the  
 5 alleged child abuse is substantiated by a court of competent jurisdiction.

6 21. Any superintendent of schools, president of a school board or such person's designee or  
 7 law enforcement officer who knowingly falsifies any report of any matter pursuant to this section or  
 8 who knowingly withholds any information relative to any investigation or report pursuant to this  
 9 section is guilty of a class A misdemeanor.

10 22. In order to ensure the safety of all students, should a student be expelled for bringing a  
 11 weapon to school, violent behavior, or for an act of school violence, that student shall not, for the  
 12 purposes of the accreditation process of the Missouri school improvement plan, be considered a  
 13 dropout or be included in the calculation of that district's educational persistence ratio.

 36 school employee shall as soon as reasonably practical report such incident to the principal.
