5 pursuant to the laws of this state, another state, or a country which has a reciprocal agreement with  
6 the state of Missouri regarding the exchange of licenses pursuant to section 302.172 shall be  
7 examined as herein provided. Any person who has failed to renew such person's license on or  
8 before the date of its expiration or within six months thereafter must take the complete examination.  
9 Any active member of the United States Armed Forces, their adult dependents or any active  
10 member of the Peace Corps may apply for a renewal license without examination of any kind,  
11 unless otherwise required by sections 302.700 to 302.780, provided the renewal application shows  
12 that the previous license had not been suspended or revoked. Any person honorably discharged  
13 from the Armed Forces of the United States who held a valid license prior to being inducted may  
14 apply for a renewal license within sixty days after such person's honorable discharge without  
15 submitting to any examination of such person's ability to safely operate a motor vehicle over the  
16 highways of this state unless otherwise required by sections 302.700 to 302.780, other than the  
17 vision test provided in section 302.175, unless the facts set out in the renewal application or record  
18 of convictions on the expiring license, or the records of the director show that there is good cause to  
19 authorize the director to require the applicant to submit to the complete examination. No applicant  
20 for a renewal license shall be required to submit to any examination of his or her ability to safely  
21 operate a motor vehicle over the highways of this state unless otherwise required by sections  
22 302.700 to 302.780 or regulations promulgated thereunder, other than a test of the applicant's ability  
23 to understand highway signs regulating, warning or directing traffic and the vision test provided in  
24 section 302.175, unless the facts set out in the renewal application or record of convictions on the  
25 expiring license, or the records of the director show that there is good cause to authorize the director  
26 to require the applicant to submit to the complete examination. The examination shall be made  
27 available in each county. Reasonable notice of the time and place of the examination shall be given  
28 the applicant by the person or officer designated to conduct it. The complete examination shall

31 applicant's practical knowledge of the traffic laws of this state, and an actual demonstration of  
32 ability to exercise due care in the operation of a motor vehicle of the classification for which the

4 the date of application for the Missouri license, the director may waive the test of the applicant's  
5 practical knowledge of the traffic laws of this state, and the requirement of actual demonstration of  
6 ability to exercise due care in the operation of a motor vehicle. If the director has reasonable

8 ordinarily would interfere with the applicant's fitness to operate a motor vehicle safely upon the  
9 highways, the director may require that the examination include a physical or mental examination  
10 by a licensed physician of the applicant's choice, at the applicant's expense, to determine the fact.  
11 The director shall prescribe regulations to ensure uniformity in the examinations and in the grading  
12 thereof and shall prescribe and furnish all forms to the members of the highway patrol and to other

21 committed or attempted to commit fraud or deception in the written, skills, or vision examination.

22 3. The director of revenue shall delegate the power to conduct the examinations required for  
23 a license or permit to any member of the highway patrol or any person employed by the highway

34 Armed Forces, shall constitute an actual demonstration of the person's ability to exercise due care in  
35 the operation of a motorcycle or motortricycle, and no further driving test shall be required to obtain  
36 a motorcycle or motortricycle license or endorsement. The director of revenue is authorized to  
37 promulgate rules and regulations for the administration and implementation of this subsection  
38 including rules governing the presentment of motorcycle training course completion cards from a  
39 military motorcycle rider training course or other documentation showing that the applicant has  
40 successfully completed a course in basic motorcycle safety instruction that meets or exceeds

44 under the authority delegated in this section shall become effective only if it complies with and is  
45 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and  
46 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to  
47 chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently
