

House \_\_\_\_\_ Amendment NO. \_\_\_\_\_

Offered By \_\_\_\_\_

1 AMEND House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill  
2 No. 966, Page 1 , Section A, Line 11, by inserting after all of said section and line the following:  
3

4 "37.940. 1. There is hereby established within the office of administration the "Social Innovation  
5 Grant Program". The governor shall designate an individual to serve as the executive director of the social  
6 innovation grant program, who shall establish and oversee the program. For purposes of this section, the  
7 following terms mean:

8 (1) "Critical state concern", instances or circumstances in which the state of Missouri is currently,  
9 and will likely be in the future, responsible for the costs associated with a particular act of the state through  
10 annual appropriations. The programs for which the costs are associated may not be optimal for reducing the  
11 overall scope of the problem to the greatest extent while limiting the exposure of the state budget;

12 (2) "Demonstration project", a project selected by the social innovation grant team in response to the  
13 grant team's request for proposals process;

14 (3) "Social innovation grant", a grant awarded to a nonprofit organization with experience in the  
15 area of critical state concern to design a short-term demonstration project based on evidence and best  
16 practices that can be replicated to optimize state funding and services for populations and programs identified  
17 as areas of critical state concern.

18 2. Areas of critical state concern include, but are not limited to:

19 (1) Families in generational child welfare;

20 (2) Opioid-addicted pregnant women; and

21 (3) Children in residential treatment with behavioral issues where the children were not removed  
22 from the family due to abuse or neglect.

23 The office of administration or the general assembly may identify additional critical state concerns that could  
24 potentially be addressed through the social innovation grant program.

25 3. For any critical state concern for which a social innovation grant is being utilized, the executive  
26 director shall establish a "Social Innovation Grant Team" to be comprised of:

27 (1) Individuals working in governmental agencies responsible for the oversight of programs related  
28 to the critical state concern;

29 (2) Persons working in the nonprofit sector with practical field experience related to the critical state  
30 concern; and

31 (3) Academic leaders in research and study related to the critical state concern.

32 4. The social innovation grant team shall be charged with:

33 (1) Formulating a request for proposals for social innovation grants;

34 (2) Evaluating responsive proposals and selecting those bids for demonstration projects that provide

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1 the greatest opportunity for addressing the critical state concern in a cost-effective and replicable way; and  
2 (3) Monitoring demonstration projects and evaluating them based on the objectives outlined in the  
3 request for proposals, the program's outline, the project's impact on the critical state concern, and the  
4 project's ability to be replicated on a cost-effective basis.

5 5. Demonstration projects shall be operated over a period of time sufficient to impact the population  
6 served by the project based on the parameters and objectives outlined in the request for proposals. Grantees,  
7 at a minimum, shall be nonprofit organizations with experience working with the population identified as a  
8 critical state concern.

9 6. Upon the conclusion of a demonstration project, the social innovation grant team shall compile all  
10 relevant data and submit a report to the general assembly:

11 (1) Evaluating the project's effectiveness in impacting the critical state concern;

12 (2) Assessing, based on the actual experience of the project, the likely ease of statewide deployment  
13 in a methodology consistent with the execution of the project and identifying possible barriers to  
14 deployment;

15 (3) Analyzing the likely cost of statewide deployment; and

16 (4) Identifying funding strategies for statewide deployment, which may include scaling based on  
17 savings reinvestment or outside capital investments.

18 7. The social innovation grant team shall identify methods to fund the social innovation grant  
19 program, including state partnerships with nonprofit organizations and foundations. The executive director  
20 of the social innovation grant program shall identify sustainability models for deploying successful  
21 demonstration projects.

22 8. All social innovation grants shall be subject to appropriation.

23 9. The office of administration may promulgate rules and regulations to implement the provisions of  
24 this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the  
25 authority delegated in this section shall become effective only if it complies with and is subject to all of the  
26 provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable,  
27 and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the  
28 effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of  
29 rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.

30 10. Under section 23.253 of the Missouri sunset act:

31 (1) The provisions of the new program authorized under this section shall automatically sunset six  
32 years after the effective date of this section unless reauthorized by an act of the general assembly;

33 (2) If such program is reauthorized, the program authorized under this section shall automatically  
34 sunset twelve years after the effective date of the reauthorization of this section; and

35 (3) This section shall terminate on September first of the calendar year immediately following the  
36 calendar year in which the program authorized under this section is sunset."; and

37  
38 Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.
