39 purchased to enable the applicant to temporarily operate the motor vehicle while proper title and  
40 registration plates are being obtained, or while awaiting receipt of registration plates, and shall be  
41 displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be  
42 transferable or renewable and shall not be valid upon issuance of proper registration plates for the  
43 motor vehicle or trailer. The director of the department of revenue shall determine the size,  
44 material, design, numbering configuration, construction, and color of the permit. The director of  
45 the department of revenue, at his or her discretion, shall have the authority to reissue, and thereby  
46 extend the use of, a temporary permit previously and legally issued for a motor vehicle or trailer  
47 while proper title and registration are being obtained.

48 6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by

proper officers, an accurate record of each permit issued by recording the permit number, the motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and manufacturer's vehicle identification number, and the permit's date of issuance and expiration date. Such credit shall be granted based upon the date the license plates are surrendered. No refunds shall be made on the unused portion of any license plates surrendered for such credit.

An additional temporary license plate produced in a manner and of materials determined by the director to be the most cost-effective means of production with a configuration that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be placed in the interior of the vehicle's rear window such that the driver's view out of the rear window is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate. Such temporary plate is only authorized for use when the matching actual plate is affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 4 of this section. Replacement temporary plates authorized in this subsection may be issued as needed upon the payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this section. The newly produced third plate may only be used on the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a third plate and only used for the purpose specified in this subsection.

~~[10.]~~ 9. Notwithstanding the provisions of section 301.217, the director may issue a temporary permit to an individual who possesses a salvage motor vehicle which requires an inspection under subsection 9 of section 301.190. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.
