42 registration plates are being obtained, or while awaiting receipt of registration plates, and shall be
43 displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall not be
44 transferable or renewable and shall not be valid upon issuance of proper registration plates for the
45 motor vehicle or trailer. The director of the department of revenue shall determine the size,
46 material, design, numbering configuration, construction, and color of the permit. The director of
47 the department of revenue, at his or her discretion, shall have the authority to reissue, and thereby

1 while proper title and registration are being obtained.

2 6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection by
3 proper officers, an accurate record of each permit issued by recording the permit number, the motor
4 vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and
5 manufacturer's vehicle identification number, and the permit's date of issuance and expiration date.

20 placed in the interior of the vehicle's rear window such that the driver's view out of the rear window
21 is not obstructed and the plate configuration is clearly visible from the outside of the vehicle to
22 serve as the visible plate when a bicycle rack or other item obstructs the view of the actual plate.
23 Such temporary plate is only authorized for use when the matching actual plate is affixed to the
24 vehicle in the manner prescribed in subsection 5 of section 301.130. The fee charged for the
25 temporary plate shall be equal to the fee charged for a temporary permit issued under subsection 4
26 of this section. Replacement temporary plates authorized in this subsection may be issued as needed
27 upon the payment of a fee equal to the fee charged for a temporary permit under subsection 4 of this
28 section. The newly produced third plate may only be used on the vehicle with the matching plate,

34 which the permit has been issued shall be limited to the most direct route from the residence,
35 maintenance, or storage facility of the individual in possession of such motor vehicle to the nearest
36 authorized inspection facility and return to the originating location. Notwithstanding any other
37 requirements for the issuance of a temporary permit under this section, an individual obtaining a
38 temporary permit for the purpose of operating a motor vehicle to and from an examination facility
39 as prescribed in this subsection shall also purchase the required motor vehicle examination form
40 which is required to be completed for an examination under subsection 9 of section 301.190 and
41 provide satisfactory evidence that such vehicle has passed a motor vehicle safety inspection for such
42 vehicle as required in section 307.350.

43 [~~11.~~] 10. The director of the department of revenue may promulgate all necessary rules and
44 regulations for the administration of this section. Any rule or portion of a rule, as that term is
45 defined in section 536.010, that is created under the authority delegated in this section shall become
46 effective only if it complies with and is subject to all of the provisions of chapter 536 and, if
47 applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers
48 vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to

1 disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
2 authority and any rule proposed or adopted after August 28, 2012, shall be invalid and void.
