## **FISCAL ANALYSIS**

### **ASSUMPTION**

Officials from the **Department of Elementary and Secondary Education** assume the proposal will have no fiscal impact on their organization.

Officials from the **Moberly School District #81** assume no fiscal impact for this proposal except the soft cost of meetings for staff in association with referred gifted students that do not qualify based on gifted criteria set forth and adopted by the board.

Officials from the **Summersville R2 School District** assume this proposal should have little fiscal impact on their organization.

Officials from the **West Plains School District** assume this proposal will have no fiscal impact on their organization.

**Oversight** notes this proposal requires a school district with a gifted program to have a procedure, approved by the school district's board of education, for handling appeals. Oversight assumes the creation and approval of these procedures can be done with existing resources.

Depending upon the appeals processes that are set up, **Oversight** assumes there could be some additional costs to school districts. Therefore, Oversight will reflect a potential cost to school districts as \$0 or an unknown amount of costs to the district.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill requires any district with an approved gifted education program to have a process, which must be approved by the district's board of education, that allows parents or guardians to appeal a determination that their child does not qualify to receive services through the district's gifted education program.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
