FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Elementary and Secondary Education (DESE)** assume there may be costs to local school districts.

Officials from the **West Plains School District** and **Summersville R2 School District** assume the proposal will have no fiscal impact on their organizations.

Oversight notes this proposal allows a student who receives a score above the national average on a comprehensive assessment test to receive a notation on their diploma. The notation is to be determined by DESE. The comprehensive assessment tests are the ACT, ACT Compass, HSE, ASVAB, or EOC. Oversight assumes that school districts will be able to absorb the cost of tracking which students receive the notation. Oversight assumes that the notation created by DESE will be added to the diplomas with little additional fiscal impact.
