## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Office of the State Treasurer** assume the proposal will have no fiscal impact on their agency.

Officials from the **Office of State Courts Administrator** assume the proposal may have some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials from the **Office of the State Public Defender** and **Department of Corrections** both assume the proposal will have no fiscal impact on their respective organizations.

In response to a previous version, officials from the **Department of Public Safety-Office of the Director** assumed the proposal will have no fiscal impact on their organization.
