FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Corrections** assume the proposal would not fiscally impact their agency.

In response to a similar proposal from this year (SB 803), officials from the **City of Kansas City** assumed the proposal would not fiscally impact their respective agencies.

In response to a similar proposal (HB 1437), officials from the **St. Louis County Police Department** and the **Boone County Sheriff's Department** each assumed the proposal would not fiscally impact their respective agencies.

In response to a similar proposal (HB 1437), officials from the **Jefferson County Sheriff's Department** stated as a medical provider, they have all these requirements in place already. The only thing we need to make sure of is that custody does not use restraints on anyone that is in their 3rd trimester. We can review all the policies related to this.

Officials from Kansas City, St. Louis, the Lawrence County Sheriff's Department, the Platte County Sheriff's Department, the St. Louis County Department of Police, and the St. Louis Metropolitan Police Department, did not respond to **Oversight's** request for fiscal impact.
