FISCAL ANALYSIS

ASSUMPTION

§§538.205 and 538.210

In response to similar legislation from HB 2273, officials at the **Department of Social Services** assumed no fiscal impact from this proposal.

Bill as a whole

Officials at the **Department of Corrections (DOC)** assume an unknown savings from this proposal. The DOC state it could reduce the potential pay out on punitive damages for medical or for other reasons should the DOC get sued.

Due to the speculative nature, **Oversight** will range the impact to DOC from \$0 to the unknown savings.

Officials at the **Office of the State Courts Administrator** assume there may be some impact but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

Officials at the **Office of the Attorney General (AGO)** assume that any potential costs arising from this proposal can be absorbed with existing resources. The AGO may seek additional appropriations if there is a significant increase in litigation.

Officials at the **Department of Health and Senior Services**, the **Department of Mental Health**, the **Office of the State Public Defender** and the **Office of Prosecution Services** each assume no fiscal impact to their respective agencies from this proposal.

FISCAL DESCRIPTION

This bill provides that punitive damages shall not be awarded except upon proof by clear and convincing evidence, and only if there is an award of damages more than nominal damages. Punitive damages may not be awarded against an employer or principal because of the conduct of an employee or agent unless specified criteria are met.

The bill prohibits any initial pleading from containing a claim for a punitive damage award. A claimant may amend a pleading with leave of court based upon evidence providing a reasonable basis for the recovery of punitive damages. The bill repeals a provision of law that allows a judge to apply the doctrines of remittitur and additur to a punitive damage award.

The provisions of this bill apply to any civil action pending on August 28, 2018, or filed on or after August 28, 2018.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
