FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Public Safety - Office of the Director**, the **Missouri State Emergency Management Agency**, the **Missouri Senate**, and the **Missouri House of Representatives** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Office of the Governor** state there should be no added cost to the Governor's Office as a result of this measure. However, if additional duties are placed on the office related to appointments in other TAFP legislation, there may be the need for additional staff resources in future years.
