FISCAL ANALYSIS

ASSUMPTION

In response to a previous version, officials from the **Department of Public Safety - Missouri Highway Patrol** assumed the proposal would not fiscally impact their agency.

Officials from the **Department of Corrections** assume the proposal would not fiscally impact their agency.

Officials from the **Office of Prosecution Services (OPS)** assume the proposal would not have a measurable fiscal impact on their agency. The creation of a new crime creates additional responsibilities for county prosecutors which may, in turn, result in additional costs which are difficult to determine.

For the purpose of this proposed legislation, officials from the **Office of State Public Defender (SPD)** cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are charged with the newly defined crime of unlawful use of a weapon which carries differing levels of penalties.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

Oversight assumes the SPD can absorb the additional caseload that may result from this proposal.

Officials from the **Office of the State Courts Administrator** state there may be some impact, but there is no way to quantify that currently. Any significant changes will be reflected in future budget requests.

In response to a previous version, officials from the **Springfield Police Department** and the **Joplin Police Department** each assumed the proposal would not fiscally impact their respective agencies.

Officials from the Columbia Police Department and the St. Louis Metropolitan Police Department did not respond to **Oversight's** request for fiscal impact.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
