Be it enacted by the General Assembly of the state of Missouri, as follows:

Section A. Section 143.121, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 143.121, to read as follows:

143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

(2) Interest on certain governmental obligations excluded from federal gross income by Section 103 of the Internal Revenue Code (**26 U.S.C. Section 103, as amended**). The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code (**26 U.S.C. Section 265, as amended**). The reduction shall only be made if it is at least five hundred dollars;

EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

15 (3) The amount of any deduction that is included in the computation of federal taxable
16 income pursuant to Section 168 of the Internal Revenue Code **(26 U.S.C. Section 168)** as
17 amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount
18 deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to
19 the extent the amount deducted exceeds the amount that would have been deductible pursuant
20 to Section 168 of the Internal Revenue Code of 1986 **(26 U.S.C. Section 168)** as in effect on
21 January 1, 2002;

22 (4) The amount of any deduction that is included in the computation of federal taxable
23 income for net operating loss allowed by Section 172 of the Internal Revenue Code of 1986 **(26**

26 **Section 172)**, as amended, for a net operating loss the taxpayer claims in the tax year in which
27 the net operating loss occurred or carries forward for a period of more than twenty years and
28 carries backward for more than two years. Any amount of net operating loss taken against
29 federal taxable income but disallowed for Missouri income tax purposes pursuant to this
30 subdivision after June 18, 2002, may be carried forward and taken against any income on the
31 Missouri income tax return for a period of not more than twenty years from the year of the initial
32 loss; and

33 (5) For nonresident individuals in all taxable years ending on or after December 31,
34 2006, the amount of any property taxes paid to another state or a political subdivision of another
35 state for which a deduction was allowed on such nonresident's federal return in the taxable year
36 unless such state, political subdivision of a state, or the District of Columbia allows a subtraction
37 from income for property taxes paid to this state for purposes of calculating income for the
38 income tax for such state, political subdivision of a state, or the District of Columbia.

39 3. There shall be subtracted from the taxpayer's federal adjusted gross income the
40 following amounts to the extent included in federal adjusted gross income:

41 (1) Interest or dividends on obligations of the United States and its territories and
42 possessions or of any authority, commission or instrumentality of the United States to the extent
43 exempt from Missouri income taxes pursuant to the laws of the United States. The amount
44 subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred
45 to carry the described obligations or securities and by any expenses incurred in the production
46 of interest or dividend income described in this subdivision. The reduction in the previous
47 sentence shall only apply to the extent that such expenses including amortizable bond premiums
48 are deducted in determining the taxpayer's federal adjusted gross income or included in the
49 taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total
50 at least five hundred dollars;

51 (2) The portion of any gain, from the sale or other disposition of property having a higher
52 adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax
53 purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is
54 considered a long-term capital gain for federal income tax purposes, the modification shall be
55 limited to one-half of such portion of the gain;

56 (3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity
57 or other amount of income or gain which was properly included in income or gain and was taxed
58 pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or
59 to a decedent by reason of whose death the taxpayer acquired the right to receive the income or
60 gain, or to a trust or estate from which the taxpayer received the income or gain;

61 (4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the
62 extent that the same are included in federal adjusted gross income;

63 (5) The amount of any state income tax refund for a prior year which was included in the
64 federal adjusted gross income;

65 (6) The portion of capital gain specified in section 135.357 that would otherwise be
66 included in federal adjusted gross income;

67 (7) The amount that would have been deducted in the computation of federal taxable
68 income pursuant to Section 168 of the Internal Revenue Code **(26 U.S.C. Section 168)** as in
69 effect on January 1, 2002, to the extent that amount relates to property purchased on or after July
70 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually
71 deducted pursuant to Section 168 of the Internal Revenue Code **(26 U.S.C. Section 168)** as
72 amended by the Job Creation and Worker Assistance Act of 2002;

73 (8) For all tax years beginning on or after January 1, 2005, the amount of any income
74 received for military service while the taxpayer serves in a combat zone which is included in
75 federal adjusted gross income and not otherwise excluded therefrom. As used in this section,
76 “combat zone” means any area which the President of the United States by Executive Order
77 designates as an area in which Armed Forces of the United States are or have engaged in combat.

79 President by Executive Order as the date of the commencing of combat activities in such zone,
80 and on or before the date designated by the President by Executive Order as the date of the
81 termination of combatant activities in such zone;

82 (9) For all tax years ending on or after July 1, 2002, with respect to qualified property
83 that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an
84 additional modification was made under subdivision (3) of subsection 2 of this section, the
85 amount by which additional modification made under subdivision (3) of subsection 2 of this

86 section on qualified property has not been recovered through the additional subtractions provided
87 in subdivision (7) of this subsection; and

88 (10) For all tax years beginning on or after January 1, 2014, the amount of any income

103 income the modifications provided in section 143.411.

104 6. In addition to the modifications to a taxpayer's federal adjusted gross income in this
105 section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's
106 federal adjusted gross income any gain recognized pursuant to Section 1033 of the Internal
107 Revenue Code of 1986 (**26 U.S.C. Section 1033**), as amended, arising from compulsory or
108 involuntary conversion of property as a result of condemnation or the imminence thereof.

109 7. (1) As used in this subsection, "qualified health insurance premium" means the
110 amount paid during the tax year by such taxpayer for any insurance policy primarily providing
111 health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

112 (2) In addition to the subtractions in subsection 3 of this section, one hundred percent
113 of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's
114 federal adjusted gross income to the extent the amount paid for such premiums is included in
115 federal taxable income. The taxpayer shall provide the department of revenue with proof of the
116 amount of qualified health insurance premiums paid.
