86 provide for the following levels of professional certification: an initial professional certificate

106 verification of actual employment in an educational position as provided for in state board

108 may include hours spent in class in an appropriate college curriculum. Should the possessor of
109 a valid career continuous professional certificate fail, in any given year, to meet the fifteen-hour
110 professional development requirement, the possessor may, within two years, make up the
111 missing hours. In order to make up for missing hours, the possessor shall first complete the
112 fifteen-hour requirement for the current year and then may count hours in excess of the current
113 year requirement as make-up hours. Should the possessor fail to make up the missing hours
114 within two years, the certificate shall become inactive. In order to reactivate the certificate, the
115 possessor shall complete twenty-four contact hours of professional development which may
116 include hours spent in the classroom in an appropriate college curriculum within the six months
117 prior to or after reactivating his or her certificate. The requirements of this paragraph shall be

119 continuous professional certificate.

120 (c) A holder of a career continuous professional certificate shall be exempt from the
121 professional development contact hour requirements of paragraph (b) of this subdivision if such

122 teacher has a local professional development plan in place within such teacher's school district
123 and meets two of the three following criteria:

- 124 a. Has ten years of teaching experience as defined by the state board of education;
 - 125 b. Possesses a master's degree; or
 - 126 c. Obtains a rigorous national certification as approved by the state board of education.
- 127 4. Policies and procedures shall be established by which a teacher who was not retained
128 due to a reduction in force may retain the current level of certification. There shall also be
129 established policies and procedures allowing a teacher who has not been employed in an
130 educational position for three years or more to reactivate his or her last level of certification by
131 completing twenty-four contact hours of professional development which may include hours
132 spent in the classroom in an appropriate college curriculum within the six months prior to or after
133 reactivating his or her certificate.

134 5. The state board shall, upon completion of a background check as prescribed in section
135 168.133, issue a professional certificate classification in the areas most closely aligned with an
136 applicant's current areas of certification, commensurate with the years of teaching experience of
137 the applicant, to any person who is hired to teach in a public school in this state and who
138 possesses a valid teaching certificate from another state or certification under subdivision (4) of
139 subsection 1 of this section, provided that the certificate holder shall annually complete the state
140 board's requirements for such level of certification, and shall establish policies by which
141 residents of states other than the state of Missouri may be assessed a fee for a certificate of
142 license to teach in the public schools of Missouri. Such fee shall be in an amount sufficient to
143 recover any or all costs associated with the issuing of a certificate of license to teach. The board
144 shall promulgate rules to authorize the issuance of a provisional certificate of license, which shall
145 allow the holder to assume classroom duties pending the completion of a criminal background
146 check under section 168.133, for any applicant who:

- 147 (1) Is the spouse of a member of the Armed Forces stationed in Missouri;
- 148 (2) Relocated from another state within one year of the date of application;
- 149 (3) Underwent a criminal background check in order to be issued a teaching certificate
150 of license from another state; and
- 151 (4) Otherwise qualifies under this section.

152 6. The state board may assess to holders of an initial professional certificate a fee, to be
153 deposited into the excellence in education revolving fund established pursuant to section
154 160.268, for the issuance of the career continuous professional certificate. However, such fee
155 shall not exceed the combined costs of issuance and any criminal background check required as
156 a condition of issuance. Applicants for the initial ABCTE certificate shall be responsible for any

157 fees associated with the program leading to the issuance of the certificate, but nothing in this
158 section shall prohibit a district from developing a policy that permits fee reimbursement.

159 7. Any member of the public school retirement system of Missouri who entered covered
160 employment with ten or more years of educational experience in another state or states and held
161 a certificate issued by another state and subsequently worked in a school district covered by the
162 public school retirement system of Missouri for ten or more years who later became certificated
163 in Missouri shall have that certificate dated back to his or her original date of employment in a
164 Missouri public school.
