93 policy in section 30.260, that is not otherwise provided for in this section, provided the banking
94 institution or eligible lending institution as defined in subdivision (10) of section 30.750 is well
95 capitalized, as defined in subdivision (16) of this subsection. The provisions of this subdivision
96 are not authorized for political subdivisions, notwithstanding the provisions of chapter 110 to
97 the contrary.

98 2. Securities deposited shall be in an amount valued at market equal at least to one
99 hundred percent of the aggregate amount on time deposit as well as on demand deposit with the
100 particular financial institution less the amount, if any, which is insured either by the Federal
101 Deposit Insurance Corporation or by the National Credit Unions Share Insurance Fund.
102 Furthermore, for a well-capitalized banking institution, securities authorized in this section that
103 are:

104 (1) Mortgage securities on loans secured on one to four family real estate appraised to
105 reflect the market value at the time of the loan and deposited as collateral shall not exceed one
106 hundred twenty-five percent of the aggregate amount of time deposits and demand deposits;

107 (2) Mortgage securities on loans secured on commercial real estate or on farm real estate

114 elsewhere in this section, valued at market and deposited as collateral shall not exceed one
115 hundred fifteen percent of the aggregated amount of the time deposits and demand deposits; and

116 (4) Securities that are surety bonds and letters of credit authorized as collateral need only
117 collateralize one hundred percent of the aggregate amount of time deposits and demand deposits.

118 3. The securities or book entry receipts shall be delivered to the state treasurer and
119 receipted for by the state treasurer and retained by the treasurer or by financial institutions that
120 the governor, state auditor and treasurer agree upon. The state treasurer shall from time to time
121 inspect the securities and book entry receipts and see that they are actually held by the state

122 treasury or by the financial institutions selected as the state depositories. The governor and the
123 state auditor may inspect or request an accounting of the securities or book entry receipts, and
124 if in any case, or at any time, the securities are not satisfactory security for deposits made as
125 provided by law, they may require additional security to be given that is satisfactory to them.

126 4. Any securities deposited pursuant to this section may from time to time be withdrawn
127 and other securities described in the list provided for in subsection 1 of this section may be
128 substituted in lieu of the withdrawn securities with the consent of the treasurer; but a sufficient
129 amount of securities to secure the deposits shall always be held by the treasury or in the selected
130 depositories.

131 5. If a financial institution of deposit fails to pay a deposit, or any part thereof, pursuant
132 to the terms of its contract with the state treasurer, the state treasurer shall forthwith convert the
133 securities into money and disburse the same according to law.

134 6. Any financial institution making deposits of bonds with the state treasurer pursuant
135 to the provisions of this chapter may cause the bonds to be endorsed or stamped as it deems
136 proper, so as to show that they are deposited as collateral and are not transferable except upon
137 the conditions of this chapter or upon the release by the state treasurer.

67.085. Notwithstanding any law to the contrary, any political subdivision of the state
2 and any other public entity in Missouri may invest funds of the public entity not immediately
3 needed for the purpose to which such funds or any of them may be applicable provided each
4 public entity meets the requirements for separate deposit insurance of public funds permitted by
5 federal deposit insurance and in accordance with the following conditions:

6 (1) The public funds are invested through a financial institution which has been selected
7 as a depository of the funds in accordance with the applicable provisions of the statutes of
8 Missouri relating to the selection of depositories and such financial institution enters into a
9 written agreement with the public entity;

10 (2) The selected financial institution arranges for the deposit of the public funds in
11 deposit accounts in one or more financial institutions wherever located in the United States, for
12 the account of the public entity;

13 (3) Each such deposit account is insured by federal deposit insurance for one hundred
14 percent of the principal and accrued interest of the deposit; **and**

15 (4) The selected financial institution acts as custodian for the public entity with respect
16 to such deposit accounts]; ~~and~~

17 ~~———(5) On the same date that the public funds are deposited under subdivision (2) of this~~
18 ~~section, the selected financial institution receives an amount of deposits from customers of other~~
19 ~~financial institutions equal to the amount of the public funds initially invested by the public~~
20 ~~entity through the selected financial institution].~~

95.530. In all cities not within a county, the mayor, the comptroller and the treasurer shall constitute the funds committee, and the treasurer, by virtue of his office, shall serve as chairman of such committee. The committee shall annually select a bank or banks, or trust company or trust companies, or credit union or credit unions, savings and loan or savings and loans, which has its principal place of business in Missouri referred to hereafter as "listed institutions", for the current deposit of the city's funds, which in their opinion will be most commensurate with the safety thereof. The treasurer, as chairman, shall supervise the business of the committee and maintain records of committee proceedings, and shall call annual meetings or any other meeting as often as the business of the city may require. The treasurer shall be a member of any financial planning or decision-making body or committee furthering the needs of the city's financial business, except the legislative and appropriating bodies. The treasurer, by virtue of his office, shall sit on any committee or group which deals with the issuance of bonds of the city or any agency or instrumentality thereof. The treasurer shall serve as the chief investment and cash management officer of the city and, as such, act as the sole investment authority on any investments of public funds held by the city or any instrumentality thereof, including funds derived from proceeds from the issuance of bonds and funds from proceeds from lease/purchase agreements. Such investments shall be made in a manner consistent with investment policies approved by the funds commission, and with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of capital and income to be derived. The treasurer shall ensure the safety of all funds held by the city or any instrumentalities thereof and, upon the approval of the funds commission and reasonable notice, may assume control of any accounts not managed in compliance with state law, serve as the custodian of any funds held in such accounts and take any other measures reasonably required to ensure the preservation of public funds and compliance with applicable law. The funds commission, also known as the "funds committee", shall approve all financial institutions for any banking services required by the city pursuant to investment policies and evaluation criteria set by the treasurer and approved by the funds commission. At least once per year, the treasurer and the city's external auditors shall report to the comptroller on the city's compliance with this section. Any state or municipally created agency, citywide elected officials or any instrumentality thereof working in cooperation with the city in the collection, management, investment or disbursement of governmental funds, shall annually report a listing of all listed institution's accounts, including a list of all pledged collateral, to the fund committee. Any financial institution acting as a ~~depository~~ **depository** or custodian of public funds for any state or municipally created agency, citywide elected official or any instrumentality thereof working in the collection, management, investment or

37 disbursement of governmental funds for a city located not within a county shall annually report
38 to the funds committee. Such agencies, elected officials and instrumentalities shall, during the
39 interim period, report any change or transfer or establishment of new accounts or changes in
40 collateral to the fund committee within ten days of doing so. Financial institutions, when
41 requested by the funds committee, shall verify such information. Before any deposit shall be
42 made by the treasurer in any listed institution, the institution shall give a bond in an amount
43 equal to the deposit, with good and sufficient sureties, to be approved by the unanimous vote of
44 the members of the funds committee, for the safekeeping and prompt payment of such funds, or
45 any part thereof, when demanded by the treasurer, and shall at all times keep the sureties on such
46 bond satisfactory to the funds committee. In lieu of ~~[or in addition to]~~ such bond, listed
47 institutions may, with the unanimous consent of the members of the funds committee, deposit
48 with the treasurer of such city or with some other mutually satisfactory depository ~~[in such city,~~
49 ~~in escrow, bonds or treasury certificates of the United States or other interest-bearing obligations~~
50 ~~guaranteed as to both principal and interest by the United States or agency or instrumentality~~
51 ~~thereof in accordance with the approved]~~ collateral securities ~~[maintained and approved by the~~
52 ~~state treasurer, or bonds of the state of Missouri or of any city not within a county,]~~ **authorized**
53 **under section 30.270 and approved by the state treasurer with respect to deposit and**
54 **management of state funds** of a ~~[par]~~ value equal to the amount of such deposit, or any part of
55 such deposit not protected by ~~[such bond]~~ **federal deposit insurance**. The securities so
56 deposited shall, in case of default by any such listed institution, be taken possession of by the
57 funds committee, and to the extent required to make good such default, be sold for the benefit
58 of such city. Any securities so deposited may, with the unanimous consent of the members of
59 the funds committee, be withdrawn, and others of equal value and amount substituted therefor.
60 As the amount of such funds on deposit is reduced, listed institutions, when not in default, shall
61 be permitted to withdraw the excess of collateral, except that there shall at no time be a less
62 amount in par value of collateral than the amount at such time of deposits. The securities so
63 deposited or any substitute therefor, shall, upon default, be exhausted before recourse shall be
64 had against the securities upon any bond executed by listed institutions for the protection of such
65 deposits. In lieu of or in addition to such deposit of city funds in listed institutions, the treasurer
66 may invest funds belonging to such city and not immediately needed for the purpose to which
67 such funds or any of them may be applicable, in accordance with Section 15, Article IV of the
68 Missouri Constitution. In addition, the treasurer may enter into repurchase agreements maturing
69 and becoming payable within ninety days secured by United States Treasury obligations or
70 obligations of the United States government agencies or instrumentalities of any maturity as
71 provided by law.

2. The securities shall, at the option of the depository banking institution, be delivered either to the fiscal officer or the governing body of the municipal corporation or other depositor of the funds, or by depositing the securities with another banking institution or safe depository as trustee satisfactory to both parties to the depository agreement. The trustee may be a bank owned or controlled by the same bank holding company as the depository banking institution.

3. The rights and duties of the several parties to the depository contract shall be the same as those of the state and the depository banking institution respectively under section 30.270. If a depository banking institution deposits the bonds or securities with a trustee as above provided, and the municipal corporation or other depositor of funds gives notice in writing to the trustee that there has been a breach of the depository contract and makes demand in writing on the trustee for the securities, or any part thereof, then the trustee shall forthwith surrender to the municipal corporation or other depositor of funds a sufficient amount of the securities to fully protect the depositor from loss and the trustee shall thereby be discharged of all further responsibility in respect to the securities so surrendered.

4. Pursuant to an agreement with the banking institution serving as a depository for a public entity under this section, public funds held in the custody of the depository may be invested in the obligations described in article IV, section 15 of the Constitution of Missouri permitted for the state treasurer, including repurchase agreements, provided the investments are authorized in an investment policy adopted by the public entity, treasurer, or other finance officer authorized to act for the public entity.

110.070. 1. Subject to the provisions of section 110.030, all **public governing** boards ~~[of managers, curators, trustees]~~ or other **person or persons** by whatever name called, who have the management ~~[of any state institution, that have the]~~, use, or custody of any **public** funds, on or before the first Monday of July for the year in which a bid is requested shall receive sealed proposals from banking ~~[corporations, associations, or trust companies]~~ **institutions authorized as legal depositories for the public funds** in any city, town or county in which the **public**

7 institutions are located which desire to be selected as depositaries of the moneys and funds of
8 the **public** institution. The bids may be for a period of one to four years.

9 2. Notice that bids will be received shall be published by the **clerk or** secretary of the
10 board at least twenty days before the meeting at which the depositary is to be selected in some
11 newspaper published in the city, town or county at least once in each week.

110.080. 1. Any banking corporation, association or trust company in the city desiring
2 to bid shall deliver to the secretary of the board on or before twelve o'clock noon on the day of
3 the meeting at which the depositary is to be selected a sealed bid stating the rate of interest that
4 it offers to pay on the funds and moneys of the institution for the term of up to four years next
5 ensuing the date of the bid.

6 2. ~~[Each bid shall be accompanied by a check in favor of the institution on some solvent~~
7 ~~banking corporation, association, or trust company in the city, duly certified, for not less than one~~
8 ~~thousand dollars, as a guaranty of good faith on the part of the bidder that if its bid is accepted~~
9 ~~by the board it will give the security required by section 110.010.~~

3 selection of depositaries is to be made, a sealed proposal, stating the rate of interest that the
4 banking corporation, or association offers to pay on the funds of the county for the term of two
5 or four years next ensuing the date of the bid, or, if the selection is made for a less term than two
6 or four years, as provided in sections 110.180 and 110.190, then for the time between the date
7 of the bid and the next regular time for the selection of depositaries as fixed by section 110.130.

8 2. ~~[Each bid shall be accompanied by a certified check for not less than two thousand~~
9 ~~five hundred dollars, as a guaranty of good faith on the part of the bidder, that if his or her bid~~
10 ~~should be the highest he or she will provide the security required by section 110.010. Upon his~~
11 ~~or her failure to give the security required by law, the amount of the certified check shall go to~~
12 ~~the county as liquidated damages, and the commission may order the county clerk to readvertise~~
13 ~~for bids.~~

14 ~~———3.] It shall be a misdemeanor, and punishable as such, for the clerk of the commission,~~
15 ~~or any deputy of the clerk, to directly or indirectly disclose the amount of any bid before the~~
16 ~~selection of depositaries.~~

165.221. For the purpose of letting the funds the board shall divide the funds into not
2 less than two nor more than ten equal parts. Each bidder may bid for any number of the parts,
3 but the bid for each part shall be separate. Any banking institution in the county or in an
4 adjoining county desiring to bid shall deliver to the secretary of the board, on or before the date

5 selected for the acceptance of bids, a sealed bid, stating the rate of interest, or method by which
6 the interest will be determined, that the banking institution offers to pay on one part of the funds
7 and moneys of the school district for the term of one to five years, as the case may be, next
8 ensuing the date of the bid; or if the selection is made for a less term as provided in sections
9 165.201 to 165.291, then for the time between the date of the bid and the next regular time for
10 the selection of depositaries, as fixed by section 165.211. ~~[Each bid shall be accompanied by a~~
11 ~~check in favor of the school district, on some solvent banking institution in the county or an~~
12 ~~adjoining county, duly certified, for not less than two thousand five hundred dollars, as a~~
13 ~~guaranty of good faith on the part of the bidder that if any of its bids are accepted by the board~~
14 ~~it will deposit the security required by law.]~~ It is a misdemeanor for the secretary of the board
15 to directly or indirectly disclose the amount of any bid before all bids are opened at a public
16 depositary bid opening.

165.231. The school board or their designee in seven-director districts, on the date
2 selected for the acceptance of bids, shall publicly open the bids and cause each bid to be verbally
3 read and documented. Following discussion and clarification of bids with the financial
4 institutions, the board of education shall cause each bid to be entered upon the records of the
5 board and shall select from among the bidders, as depositaries of the funds and moneys of the
6 school district, those whose bids are accepted, and shall notify each of the bidders so selected.
7 The board may reject any and all bids. The interest upon the funds and moneys shall be
8 computed upon the daily balances to the credit of the school district with each depositary and

13 ~~the certified checks accompanying the bids to the banking institutions whose bids which they~~
14 ~~accompanied were rejected and, upon the approval of the security provided for in sections~~
15 ~~110.010 and 110.020, return the certified checks accompanying the accepted bids to the banking~~
16 ~~institutions respectively, from which they were received.]~~

165.241. ~~[On or before ten days]~~ After notice to any depositary of its selection, the
2 depositary shall deliver or deposit securities in accordance with sections 110.010 and 110.020
3 and the securities if delivered to the fiscal officer of the seven-director school district may be
4 deposited for safekeeping with any federal reserve bank located in this state or with any banking
5 institution located in the county and approved by order of the school board entered of record on
6 its minutes. If at the time for selecting depositaries it is unlawful for banking institutions to pay
7 interest upon demand deposits the school board at its option either may select depositaries as
8 provided by law or may enter into written agreement with any or all depositaries acting as such

9 during the preceding period for renewal and continuation of the depositary relationship for the
10 ensuing period with power and authority to renew and continue the same for successive periods
11 thereafter, subject however to termination as provided by law. The rights and obligations of the
12 parties and of any trustee joining in a renewal agreement shall be deemed continuous throughout
13 the periods of the renewals. Each depositary at all times shall maintain the security in kind and
14 amount required by sections 110.010 and 110.020 with right in the depositary when not in
15 default to make substitutions thereof and to withdraw interest coupons therefrom as they mature.

165.271. 1. As soon as the securities **satisfactory to the district** are deposited [~~and~~
2 ~~approved by the board of a seven-director district, an order shall be made designating~~], the
3 banking institution depositing the securities **shall be deemed** as a depositary of the part of the
4 funds and moneys of the school district of which it has been selected as the depositary, until the
5 time fixed by sections 165.201 to 165.291 for another selection. The treasurer of the school
6 district immediately upon the making of the order shall transfer to the depositary the parts of all
7 funds and moneys belonging to the school district that the depositary is entitled to receive by
8 virtue of its designation.

9 2. In case any bonds, coupons or other indebtedness of the district are payable, by the
10 terms of the bonds, coupons or other evidences of indebtedness, at any particular place outside
11 the district, nothing contained in sections 165.201 to 165.291 shall prevent the board from
12 causing the treasurer to place a sufficient sum of money to meet the same at the place where the
13 debts are payable at the time of their maturity.

14 3. The treasurer of a seven-director district, as the funds and moneys of the school
15 district come into his hands from time to time, shall deposit them with the depositaries to the
16 credit of the school district, and at all times shall keep on deposit with each depositary
17 approximately that proportion of all the funds and moneys of the district for which the board
