2 enacted in lieu thereof, to be known as section 208.151, to read as follows:

208.151. 1. Medical assistance on behalf of needy persons shall be known
2 as "MO HealthNet". For the purpose of paying MO HealthNet benefits and to

10 benefits, including all persons under nineteen years of age who would be
11 classified as dependent children except for the requirements of subdivision (1) of
12 subsection 1 of section 208.040. Participants eligible under this subdivision who
13 are participating in drug court, as defined in section 478.001, shall have their
14 eligibility automatically extended sixty days from the time their dependent child

16 for Medicare and Medicaid Services;

17 (3) All participants receiving blind pension benefits;

18 (4) All persons who would be determined to be eligible for old age

19 assistance benefits, permanent and total disability benefits, or aid to the blind

29 (6) All persons under the age of twenty-one years who would be eligible
30 for aid to families with dependent children benefits except for the requirement of

38 benefits, aid to the permanently and totally disabled, or aid to the blind benefits
39 on December 31, 1973, and who continue to meet the eligibility requirements,
40 except income, for these assistance categories, but who are no longer receiving
41 such benefits because of the implementation of Title XVI of the federal Social
42 Security Act, as amended;

43 (10) Pregnant women who meet the requirements for aid to families with
44 dependent children, except for the existence of a dependent child in the home;

47 of parental support as provided for in subdivision (2) of subsection 1 of section
48 208.040;

49 (12) Pregnant women or infants under one year of age, or both, whose
50 family income does not exceed an income eligibility standard equal to one
51 hundred eighty-five percent of the federal poverty level as established and
52 amended by the federal Department of Health and Human Services, or its
53 successor agency;

54 (13) Children who have attained one year of age but have not attained six

55 years of age who are eligible for medical assistance under 6401 of P.L. 101-239
56 (Omnibus Budget Reconciliation Act of 1989). The family support division shall
57 use an income eligibility standard equal to one hundred thirty-three percent of
58 the federal poverty level established by the Department of Health and Human
59 Services, or its successor agency;

60 (14) Children who have attained six years of age but have not attained
61 nineteen years of age. For children who have attained six years of age but have
62 not attained nineteen years of age, the family support division shall use an
63 income assessment methodology which provides for eligibility when family income
64 is equal to or less than equal to one hundred percent of the federal poverty level
65 established by the Department of Health and Human Services, or its successor
66 agency. As necessary to provide MO HealthNet coverage under this subdivision,
67 the department of social services may revise the state MO HealthNet plan to
68 extend coverage under 42 U.S.C. 1396a (a)(10)(A)(i)(III) to children who have
69 attained six years of age but have not attained nineteen years of age as permitted
70 by paragraph (2) of subsection (n) of 42 U.S.C. 1396d using a more liberal income
71 assessment methodology as authorized by paragraph (2) of subsection (r) of 42
72 U.S.C. 1396a;

73 (15) The family support division shall not establish a resource eligibility
74 standard in assessing eligibility for persons under subdivision (12), (13) or (14)
75 of this subsection. The MO HealthNet division shall define the amount and scope
76 of benefits which are available to individuals eligible under each of the
77 subdivisions (12), (13), and (14) of this subsection, in accordance with the
78 requirements of federal law and regulations promulgated thereunder;

79 (16) Notwithstanding any other provisions of law to the contrary,
80 ambulatory prenatal care shall be made available to pregnant women during a
81 period of presumptive eligibility pursuant to 42 U.S.C. Section 1396r-1, as
82 amended;

83 (17) A child born to a woman eligible for and receiving MO HealthNet
84 benefits under this section on the date of the child's birth shall be deemed to have
85 applied for MO HealthNet benefits and to have been found eligible for such
86 assistance under such plan on the date of such birth and to remain eligible for
87 such assistance for a period of time determined in accordance with applicable
88 federal and state law and regulations so long as the child is a member of the
89 woman's household and either the woman remains eligible for such assistance or
90 for children born on or after January 1, 1991, the woman would remain eligible

91 for such assistance if she were still pregnant. Upon notification of such child's
92 birth, the family support division shall assign a MO HealthNet eligibility
93 identification number to the child so that claims may be submitted and paid
94 under such child's identification number;

95 (18) Pregnant women and children eligible for MO HealthNet benefits
96 pursuant to subdivision (12), (13) or (14) of this subsection shall not as a
97 condition of eligibility for MO HealthNet benefits be required to apply for aid to
98 families with dependent children. The family support division shall utilize an
99 application for eligibility for such persons which eliminates information
100 requirements other than those necessary to apply for MO HealthNet
101 benefits. The division shall provide such application forms to applicants whose
102 preliminary income information indicates that they are ineligible for aid to
103 families with dependent children. Applicants for MO HealthNet benefits under
104 subdivision (12), (13) or (14) of this subsection shall be informed of the aid to
105 families with dependent children program and that they are entitled to apply for
106 such benefits. Any forms utilized by the family support division for assessing
107 eligibility under this chapter shall be as simple as practicable;

108 (19) Subject to appropriations necessary to recruit and train such staff,
109 the family support division shall provide one or more full-time, permanent
110 eligibility specialists to process applications for MO HealthNet benefits at the site
111 of a health care provider, if the health care provider requests the placement of
112 such eligibility specialists and reimburses the division for the expenses including
113 but not limited to salaries, benefits, travel, training, telephone, supplies, and
114 equipment of such eligibility specialists. The division may provide a health care
115 provider with a part-time or temporary eligibility specialist at the site of a health
116 care provider if the health care provider requests the placement of such an
117 eligibility specialist and reimburses the division for the expenses, including but
118 not limited to the salary, benefits, travel, training, telephone, supplies, and
119 equipment, of such an eligibility specialist. The division may seek to employ such
120 eligibility specialists who are otherwise qualified for such positions and who are
121 current or former welfare participants. The division may consider training such
122 current or former welfare participants as eligibility specialists for this program;

123 (20) Pregnant women who are eligible for, have applied for and have
124 received MO HealthNet benefits under subdivision (2), (10), (11) or (12) of this
125 subsection shall continue to be considered eligible for all pregnancy-related and
126 postpartum MO HealthNet benefits provided under section 208.152 until the end

127 of the sixty-day period beginning on the last day of their pregnancy. **Pregnant**

129 **birth shall, subject to appropriations and any necessary federal**
130 **approval, be eligible for MO HealthNet benefits for substance abuse**
131 **treatment for no more than twelve additional months, as long as the**

133 **health and the department of social services shall seek any necessary**
134 **waivers or state plan amendments from the Centers for Medicare and**
135 **Medicaid Services and shall develop rules relating to treatment plan**
136 **adherence. No later than fifteen months after receiving any necessary**
137 **waiver, the department of mental health and the department of social**
138 **services shall report to the house of representatives budget committee**
139 **and the senate appropriations committee on the compliance with**
140 **federal cost neutrality requirements;**

141 (21) Case management services for pregnant women and young children
142 at risk shall be a covered service. To the greatest extent possible, and in
143 compliance with federal law and regulations, the department of health and senior
144 services shall provide case management services to pregnant women by contract
145 or agreement with the department of social services through local health
146 departments organized under the provisions of chapter 192 or chapter 205 or a
147 city health department operated under a city charter or a combined city-county
148 health department or other department of health and senior services designees.
149 To the greatest extent possible the department of social services and the
150 department of health and senior services shall mutually coordinate all services
151 for pregnant women and children with the crippled children's program, the
152 prevention of intellectual disability and developmental disability program and the
153 prenatal care program administered by the department of health and senior
154 services. The department of social services shall by regulation establish the
155 methodology for reimbursement for case management services provided by the
156 department of health and senior services. For purposes of this section, the term
157 "case management" shall mean those activities of local public health personnel
158 to identify prospective MO HealthNet-eligible high-risk mothers and enroll them
159 in the state's MO HealthNet program, refer them to local physicians or local
160 health departments who provide prenatal care under physician protocol and who
161 participate in the MO HealthNet program for prenatal care and to ensure that
162 said high-risk mothers receive support from all private and public programs for

163 which they are eligible and shall not include involvement in any MO HealthNet
164 prepaid, case-managed programs;

165 (22) By January 1, 1988, the department of social services and the
166 department of health and senior services shall study all significant aspects of
167 presumptive eligibility for pregnant women and submit a joint report on the
168 subject, including projected costs and the time needed for implementation, to the
169 general assembly. The department of social services, at the direction of the
170 general assembly, may implement presumptive eligibility by regulation
171 promulgated pursuant to chapter 207;

172 (23) All participants who would be eligible for aid to families with
173 dependent children benefits except for the requirements of paragraph (d) of
174 subdivision (1) of section 208.150;

175 (24) (a) All persons who would be determined to be eligible for old age
176 assistance benefits under the eligibility standards in effect December 31, 1973,
177 as authorized by 42 U.S.C. Section 1396a(f), or less restrictive methodologies as
178 contained in the MO HealthNet state plan as of January 1, 2005; except that, on
179 or after July 1, 2005, less restrictive income methodologies, as authorized in 42
180 U.S.C. Section 1396a(r)(2), may be used to change the income limit if authorized
181 by annual appropriation;

182 (b) All persons who would be determined to be eligible for aid to the blind
183 benefits under the eligibility standards in effect December 31, 1973, as authorized
184 by 42 U.S.C. Section 1396a(f), or less restrictive methodologies as contained in the
185 MO HealthNet state plan as of January 1, 2005, except that less restrictive
186 income methodologies, as authorized in 42 U.S.C. Section 1396a(r)(2), shall be
187 used to raise the income limit to one hundred percent of the federal poverty level;

188 (c) All persons who would be determined to be eligible for permanent and
189 total disability benefits under the eligibility standards in effect December 31,
190 1973, as authorized by 42 U.S.C. 1396a(f); or less restrictive methodologies as
191 contained in the MO HealthNet state plan as of January 1, 2005; except that, on
192 or after July 1, 2005, less restrictive income methodologies, as authorized in 42
193 U.S.C. Section 1396a(r)(2), may be used to change the income limit if authorized
194 by annual appropriations. Eligibility standards for permanent and total
195 disability benefits shall not be limited by age;

196 (25) Persons who have been diagnosed with breast or cervical cancer and
197 who are eligible for coverage pursuant to 42 U.S.C. 1396a
198 (a)(10)(A)(ii)(XVIII). Such persons shall be eligible during a period of

199 presumptive eligibility in accordance with 42 U.S.C. 1396r-1;

200 (26) Effective August 28, 2013, persons who are in foster care under the
201 responsibility of the state of Missouri on the date such persons [attain] **attained**

204 (a) Are under twenty-six years of age;

205 (b) Are not eligible for coverage under another mandatory coverage group;

206 and

207 (c) Were covered by Medicaid while they were in foster care.

208 2. Rules and regulations to implement this section shall be promulgated
209 in accordance with chapter 536. Any rule or portion of a rule, as that term is
210 defined in section 536.010, that is created under the authority delegated in this
211 section shall become effective only if it complies with and is subject to all of the
212 provisions of chapter 536 and, if applicable, section 536.028. This section and
213 chapter 536 are nonseverable and if any of the powers vested with the general
214 assembly pursuant to chapter 536 to review, to delay the effective date or to
215 disapprove and annul a rule are subsequently held unconstitutional, then the
216 grant of rulemaking authority and any rule proposed or adopted after August 28,
217 2002, shall be invalid and void.

218 3. After December 31, 1973, and before April 1, 1990, any family eligible
219 for assistance pursuant to 42 U.S.C. 601, et seq., as amended, in at least three
220 of the last six months immediately preceding the month in which such family
221 became ineligible for such assistance because of increased income from
222 employment shall, while a member of such family is employed, remain eligible for
223 MO HealthNet benefits for four calendar months following the month in which
224 such family would otherwise be determined to be ineligible for such assistance
225 because of income and resource limitation. After April 1, 1990, any family
226 receiving aid pursuant to 42 U.S.C. 601, et seq., as amended, in at least three of
227 the six months immediately preceding the month in which such family becomes
228 ineligible for such aid, because of hours of employment or income from
229 employment of the caretaker relative, shall remain eligible for MO HealthNet
230 benefits for six calendar months following the month of such ineligibility as long
231 as such family includes a child as provided in 42 U.S.C. 1396r-6. Each family
232 which has received such medical assistance during the entire six-month period
233 described in this section and which meets reporting requirements and income
234 tests established by the division and continues to include a child as provided in

235 42 U.S.C. 1396r-6 shall receive MO HealthNet benefits without fee for an
236 additional six months. The MO HealthNet division may provide by rule and as
237 authorized by annual appropriation the scope of MO HealthNet coverage to be
238 granted to such families.

239 4. When any individual has been determined to be eligible for MO
240 HealthNet benefits, such medical assistance will be made available to him or her
241 for care and services furnished in or after the third month before the month in
242 which he made application for such assistance if such individual was, or upon
243 application would have been, eligible for such assistance at the time such care
244 and services were furnished; provided, further, that such medical expenses
245 remain unpaid.

246 5. The department of social services may apply to the federal Department
247 of Health and Human Services for a MO HealthNet waiver amendment to the
248 Section 1115 demonstration waiver or for any additional MO HealthNet waivers
249 necessary not to exceed one million dollars in additional costs to the state, unless
250 subject to appropriation or directed by statute, but in no event shall such waiver
251 applications or amendments seek to waive the services of a rural health clinic or
252 a federally qualified health center as defined in 42 U.S.C. 1396d(l)(1) and (2) or
253 the payment requirements for such clinics and centers as provided in 42 U.S.C.
254 1396a(a)(15) and 1396a(bb) unless such waiver application is approved by the
255 oversight committee created in section 208.955. A request for such a waiver so
256 submitted shall only become effective by executive order not sooner than ninety
257 days after the final adjournment of the session of the general assembly to which
258 it is submitted, unless it is disapproved within sixty days of its submission to a
259 regular session by a senate or house resolution adopted by a majority vote of the
260 respective elected members thereof, unless the request for such a waiver is made
261 subject to appropriation or directed by statute.

262 6. Notwithstanding any other provision of law to the contrary, in any
263 given fiscal year, any persons made eligible for MO HealthNet benefits under
264 subdivisions (1) to (22) of subsection 1 of this section shall only be eligible if
265 annual appropriations are made for such eligibility. This subsection shall not
266 apply to classes of individuals listed in 42 U.S.C. Section 1396a(a)(10)(A)(I).
