

# JOURNAL OF THE HOUSE

Second Regular Session, 99th GENERAL ASSEMBLY

---

THIRTY-FIFTH DAY, TUESDAY, MARCH 6, 2018

The House met pursuant to adjournment.

Speaker Richardson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

*The peace of God, which passes all understanding, will keep your hearts and your minds.* (Philippians 4:7)

O loving God, who has created us to live in love with You and in love with one another, yet our world is torn by terrorism, our Nation divided, and our own lives troubled, we confess our faults, our lack of understanding, and our failure to love. Forgive us, we pray, and help us from this day forward to be more responsive and positive to You and more willing to act and support the needs of all in this people's House.

Bless this House of Representatives, our Speaker, and all who work with them. May they take time to listen to You and, in so doing, be given insight to see clearly the way to take, courage to walk in that way, and patience to persist. May they be channels through which Your love can bring greater peace, joy, and benefit to those they serve.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was led by ROTC Cadet Abby Lewis.

The Journal of the thirty-fourth day was approved as printed by the following vote:

"59.800. 1. Beginning on July 1, 2001, notwithstanding any other condition precedent required by law to the recording of any instrument specified in subdivisions (1) and (2) of **subsection 1** of section 59.330, an additional fee of five dollars shall be charged and collected by every recorder of deeds in this state on each instrument recorded. The additional fee shall be distributed as follows:

(1) One dollar and twenty-five cents to the recorder's fund established ~~[pursuant to]~~ **under** subsection 1 of section 59.319, provided, however, that all funds received ~~[pursuant to]~~ **under** this section shall be used exclusively for the purchase, installation, upgrade and maintenance of modern technology necessary to operate the recorder's office in an efficient manner;

(2) One dollar and seventy-five cents to the county general revenue fund; and

(3) Two dollars to the fund established in subsection 2 of this section.

2. **(1)** There is hereby established a revolving fund known as the "Statutory County Recorder's Fund", which shall receive funds paid to the recorders of deeds of the counties of this state ~~[pursuant to]~~ **under** subdivision (3) of subsection 1 of this section. The director of the department of revenue shall be custodian of the fund and shall make disbursements from the fund for the purpose of subsidizing the fees collected by counties that hereafter elect or have heretofore elected to separate the offices of clerk of the circuit court and recorder. The subsidy shall consist of the total amount of moneys collected ~~[pursuant to]~~ **under** subdivisions (1) and (2) of subsection 1 of this section subtracted from fifty-five thousand dollars, **except under such circumstances in which the annual average of funds collected under subsection 1 of this section during the previous three calendar years are insufficient to meet all obligations calculated in this subdivision. For purposes of this section a "qualified county" is a county that hereafter elects or has heretofore elected to separate the offices of clerk of the circuit court and recorder and in which the office of the recorder of deeds collects less than fifty-five thousand dollars in fees ~~[pursuant to]~~ **under** subdivisions (1) and (2) of subsection 1 of this section, on an annual basis. Moneys in the statutory county recorder's fund shall not be considered state funds and shall be deemed nonstate funds.

**(2) In the event funds collected under subdivision (3) of subsection 1 of this section are insufficient to meet the obligations under subdivision (1) of this subsection, the director of revenue shall calculate the projected shortfall that would otherwise be incurred based on the formula outlined under subdivision (1) of this subsection. If the fund balance is greater than the annual average disbursement from the fund during the previous three years, up to thirty-three percent of the amount that exceeds the annual three-year average to meet the obligation may be used to meet the obligations. Should this amount be insufficient or unavailable to meet the shortfall, the director of revenue shall set a new requisite amount to determine a qualified county under subdivision (1) of this subsection other than fifty-five thousand dollars, which reflects the revenue collected under subdivision (3) of subsection 1 of this section in addition to thirty-three percent of the excess fund balance.";** and

House Amendment No. 1

AMEND House Committee Substitute for House Bill Nos. 1729, 1621 & 1436, Page 6, Section 290.095, Line 15, by inserting immediately after said section and line the following:

"290.400. **1.** As used in sections 290.400 to ~~[290.450]~~ **290.440** the following words have the meanings indicated unless the context clearly requires otherwise:

- (1) "Commission", the labor and industrial relations commission of Missouri;
- (2) "Employee", every woman or man in receipt of or entitled to compensation for labor performed for any employer;
- (3) "Employer", every person, firm, corporation, agent, manager, representative, contractor, subcontractor, principal or other person having control or direction of any woman or man employed at any labor, or responsible directly or indirectly for the wages of another;
- (4) ~~["Female", a woman of eighteen years or over;~~
- ~~———(5)] "Wage rates" or "wages", [any compensation for labor measured by time, piece, or otherwise]~~ **all compensation in any form that an employer provides to employees in payment for work done or services rendered including, but not limited to, base pay, overtime bonuses, stock options, awards, tips, or various forms of nonmonetary compensation if provided in lieu of or in addition to monetary compensation, provided that such compensation has economic value to an employee.**

**2. Nothing in sections 290.400 to 290.440 shall prevent an employee from exercising his or her rights under any other provision of law.**

290.410. **1.** Notwithstanding any other provisions of the law, no employer shall ~~[pay any female in his employ at wage rates less than the wage rates paid to male employees in the same establishment for the same quantity and quality of the same classification of work, provided that nothing herein shall prohibit a variation of rates of pay for male and female employees engaged in the same classification of work based upon a difference in seniority, length of service, ability, skill, difference in duties or services performed, difference in the shift or time of day worked, hours of work, or restrictions or prohibitions on lifting or moving objects in excess of specified weight, or other reasonable differentiation, or factors other than sex, when exercised in good faith]~~ **discriminate in providing compensation based on gender for equal work, the performance of which requires equal skill, effort, and responsibility, and which is performed under similar working conditions.**

**2. Notwithstanding the provisions of subsection 1 of this section, it shall not be unlawful for an employer to pay different wage rates to employees if such payments are made pursuant to:**

- (1) A bona fide seniority or merit system;
- (2) A system that measures earnings by quantity or quality of production;
- (3) Any bona fide factor other than gender, provided that wage differentials based on varying market rates for equal jobs shall not be considered differentials based on bona fide factors other than gender; or
- (4) Bona fide regional economic differentials.

**3. An employer who is paying wages in violation of this section shall not, in order to comply with this section, reduce the wage of any employee.**

**4. No employer shall discharge, take any adverse action, or otherwise retaliate in any manner against any individual because such individual has:**

- (1) Opposed any act or practice made unlawful by this section; or
- (2) Testified, assisted, or participated in any manner in an investigation, hearing, or other proceeding to enforce this section.

**5. No employer shall discharge, take any adverse action, or otherwise retaliate in any manner against, coerce, intimidate, threaten, or interfere with any employee because such employee either inquired about, compared, or otherwise discussed the employee's wages or the wages of another employee; or exercised, enjoyed, aided, or encouraged any other person to exercise or enjoy any right granted or protected by this section.**

290.440. **1.** Any employer who violates section 290.410 is liable to the ~~[female]~~ employee affected in the amount of the wages of which the ~~[female]~~ employee is deprived by reason of the violation **and an additional amount in compensatory damages, such additional amount not to exceed twice the wages awarded.**

2. ~~[Any female employee receiving less than the wage to which she is entitled under sections 290.400 to 290.450 may recover in a civil action the balance of the wages, together with the costs of suit, notwithstanding any agreement to work for a lesser wage.]~~ **Any employer who violates subsection 4 or 5 of section 290.410 is liable to any individual affected in the amount of all wages and benefits lost as a result of the violation and, if awarded, an additional amount of compensatory damages in an amount to be determined by a judge or jury trial.**

3. ~~[The burden of proof shall be upon the person bringing the claim to establish that the differentiation in rate of pay is based upon the factor of sex and not upon other differences or factors.]~~ **In the event of a finding that an employer has violated section 290.410, a court may enjoin such employer from future violations of section 290.410 and may order the employer to take such additional steps as are necessary, including reclassification of affected workers to ensure an end to the employer's gender-based pay practices or, if the employer has engaged in unlawful retaliation prohibited by section 290.410, the court may order such relief as to make the employee whole, including reinstatement.**

4. **Any employee prevailing in a civil action brought under sections 290.400 to 290.440, in addition to the remedies set forth in this section, may also recover court costs and reasonable attorney's fees, notwithstanding any agreement to work for a lesser wage. Any action brought under sections 290.400 to 290.440 shall be commenced within two years after the alleged violation occurs or the date of the reasonable discovery of such violation.**

5. **If an employee can show a deliberate pattern of violations of the provisions of sections 290.400 to 290.440, the court may order the employer to pay punitive damages to the employee in addition to any other compensation or injunctive relief ordered."; and**

Further amend said bill, Page 22, Section 290.340, Line 7, by inserting immediately after said section and line the following:

~~"[290.450. Any action based upon or arising under sections 290.400 to 290.450 shall be instituted in the circuit court within six months after the date of the alleged violation, but in no event shall any employer be liable for any pay due under sections 290.400 to 290.450 for more than thirty days prior to receipt by the employer of written notice of claim thereof from the female employee.]"~~; and

**HCS HB 1645**, relating to actions for damages due to exposure to asbestos, was taken up by Representative DeGroot.

On motion of Representative DeGroot, the title of **HCS HB 1645** was agreed to.

Representative Barnes (60) offered **House Amendment No. 1**.

*House Amendment No. 1*

AMEND House Committee Substitute for House Bill No. 1645, Page 1, Section 537.880, Line 9, by inserting after all of said line the following:

**"(2) "Asbestos settlement", a settlement of any asbestos action, or any claim for damages or other relief that could have been filed as an asbestos action;"**; and

Further amend said bill and section, Pages 1 to 2, by renumbering said section accordingly; and

Further amend said bill and section, Page 2, Line 37, by inserting after all of said section and line the following:

**"537.881. 1. Within sixty days after an asbestos action is filed or within thirty days of the effective date of this section for asbestos actions that are pending on that effective date, each defendant shall:**

**(1) Provide the court and parties with a sworn statement signed by an authorized representative of the defendant and defendant's counsel, under penalties of perjury, indicating that an investigation of all asbestos actions or claims against the defendant and all settlements entered into by the defendant or any predecessor thereto has been conducted. The sworn statement shall indicate the outcome or resolution of each such asbestos action, claim or settlement, and for those actions or claims which are not resolved, their current status.**

(2) Provide all parties with all materials from such actions, claims, or settlements, including materials from all law firms connected to the defendant in relation to asbestos, including anyone at a law firm involved in an asbestos action, claim or settlement, any prior law firm representing the defendant, or any other firm that has represented the defendant in any capacity relating to asbestos. Documents should be accompanied by a custodial affidavit from the defendant certifying that the materials submitted by the defendants are true and complete.

2. The defendant shall have a continuing duty, until final resolution of the asbestos action, to supplement the statement and materials provided under subsection 1 of this section. The defendant shall supplement and amend the information and materials provided under subsection 1 of this section within thirty days after any additional action, claim, or settlement.

3. A court may impose sanctions for the failure by a defendant or defendant's counsel to comply with this section, including entry of default judgment with prejudice against defendant for willful failure to comply with the requirements of sections 537.800 to 537.890.

4. The submission of the sworn statement under subsection 1 of this section shall be in addition to any disclosure requirements otherwise imposed by law, rules of civil procedure, court order or ruling, applicable agreement or stipulation, local rule, or case management order. Nothing in this section shall prevent a court of competent jurisdiction from requiring any disclosures in addition to the disclosures required under this section."; and

Further amend said bill, Page 4, Section 537.886, Line 21, by inserting after all of said section and line the following:

"537.887. 1. Asbestos action, claim, and settlement documents provided under section 537.881 are presumed to be relevant and authentic and are admissible in evidence in an asbestos action. No claims of privilege shall apply to asbestos action, claim, or settlement documents provided under section 537.881.

2. A plaintiff in an asbestos action may seek discovery against any other party in an asbestos action, claim, or settlement disclosed by a defendant under section 537.881. The defendant shall not claim privilege or confidentiality to bar discovery. The defendant shall provide consent or any other expression of permission that may be required by the other parties to the asbestos action, claim, or settlement disclosed as provided under section 537.881 to release information and materials sought by the plaintiff.

3. Asbestos action, claim, and settlement documents that are sufficient to have entitled another person to a judgment against or settlement from the defendant in any asbestos action, claim, or settlement disclosed under section 537.881 when the exposure occurred at a time overlapping with the exposure alleged by the plaintiff in an asbestos action may be sufficient to support a jury finding that the plaintiff was exposed to asbestos by the defendant and that such exposure was a substantial contributing factor in causing the plaintiff's injury that is at issue in the asbestos action.

4. The parties in the asbestos action may introduce at trial any asbestos action, claim, or settlement documents provided under section 537.881 to prove, without limitation, causation for the plaintiff's claimed injury, death, or loss; to prove that the defendant is a tortfeasor, liable for the injury or wrongful death for the purposes of section 537.060; or to prove issues relevant to an adjudication of the asbestos claim, unless the exclusion of asbestos action, claim, or settlement materials is otherwise required by the rules of evidence."; and

Further amend said bill, Page 5, Section 537.888, Line 15, by inserting after all of said section and line the following:

"537.889. 1. In an asbestos action, upon the filing by a plaintiff of an appropriate motion seeking sanctions or other relief, the court may impose any sanction provided by court rule or law of this state including, but not limited to, an entry of default judgment against a defendant for that defendant's failure to comply with the disclosure requirements of sections 537.880 to 537.890.

2. The amount of contribution in asbestos personal injury or wrongful death actions, or settlement agreements with asbestos injury trusts established under the federal bankruptcy code, shall be addressed for the purposes of this section in the following manner:

(1) In the event a plaintiff has filed a claim with an asbestos injury trust established under the federal bankruptcy code, any settlement agreement reached shall reduce the plaintiff's claim against other tortfeasors by the amount of consideration actually received by plaintiff from such trust.

**(2) If a defendant satisfies a judgment entered following a verdict in favor of a plaintiff in an asbestos action, such defendant shall be assigned the plaintiff's right to file and collect consideration from asbestos trusts under the federal bankruptcy code arising from claims where consideration has not already been received by the plaintiff.";** and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Ross assumed the Chair.

Speaker Richardson resumed the Chair.

Representative Vescovo moved the previous question.

*House Amendment No. 1*

AMEND House Bill No. 1892, Page 1, Section 57.117, Line 3, by inserting after all of said section and line the following:

"320.097. 1. As used in this section, "fire department" means any agency or organization that provides fire suppression and related activities, including but not limited to fire prevention, rescue, emergency medical services, hazardous material response, dispatching, or special operations to a population within a fixed and legally recorded geographical area.

2. No employee of a fire department who has worked for seven years for such department shall, as a condition of employment, be required to reside within a fixed and legally recorded geographical area of the fire department if the only public school district available to the employee within such fire department's geographical area is a public school district that is or has been unaccredited or provisionally accredited in the last five years of such employee's employment. Employees who have satisfied the seven-year requirement in this subsection and who choose to reside outside the geographical boundaries of the department shall reside within a one-hour response time. No charter school shall be deemed a public school for purposes of this section.

3. No employee of a fire department who has not resided in such fire department's fixed and legally recorded geographical area, or who has changed such employee's residency because of conditions described in subsection 2 of this section, shall as a condition of employment be required to reside within the fixed and legally recorded geographical area of the fire department if such school district subsequently becomes fully accredited.

**4. No employee of a fire department who is paid on an hourly basis shall be required to live in a fire department's fixed and legally recorded geographical area.**

**320.098. No county shall require attendance at a specific training academy by any candidate for a firefighter position but may require a specific certification from any training academy.**

321.017. 1. Notwithstanding the provisions of section 321.015, no employee of any fire protection district or ambulance district shall serve as a member of any fire district or ambulance district board while such person is employed by any fire district or ambulance district, except that an employee of a fire protection district or an ambulance district may serve as a member of a voluntary fire protection district board or a voluntary ambulance district board.

2. Notwithstanding any other provision of law to the contrary, individual board members shall not be eligible for employment by the board within twelve months of termination of service as a member of the board unless such employment is on a volunteer basis or without compensation.

**3. Notwithstanding any provision of law to the contrary, no fire protection district or ambulance district shall require an employee who is paid on an hourly basis to live within the district.**

321.200. 1. Except as otherwise provided in subsection 3 of this section, the board shall meet regularly, not less than once each month, at a time and at some building in the district to be designated by the board. Notice of the time and place of future regular meetings shall be posted continuously at the firehouse or firehouses of the district. Additional meetings may be held, when the needs of the district so require, at a place regular meetings are held, and notice of the time and place shall be given to each member of the board. Meetings of the board shall be held and conducted in the manner required by the provisions of chapter 610. All minutes of meetings of the board and all other records of the fire protection district shall be available for public inspection at the main firehouse within the district by appointment with the secretary of the board within one week after a written request is made between the hours of 8:00 a.m. and 5:00 p.m. every day except Sunday. without delegation thereof to less than a quorum of the board. Agents, employees, engineers, auditors, attorneys, firemen and any other member of the staff of the district may be employed or discharged only by a board which includes at least two directors; but any board of directors may suspend from duty any such person or staff member who willfully and deliberately neglects or refuses to perform his or her regular functions.

2. Any vacancy on the board shall be filled by the remaining elected members of the board, except when less than two elected members remain on the board any vacancy shall be filled by the circuit court of the county in which all or a majority of the district lies. The appointee or appointees shall act until the next biennial election at which a director or directors are elected to serve the remainder of the unexpired term.

3. Notwithstanding any provision of sections 610.015 and 610.020 to the contrary, when Missouri Task Force One or any Urban Search and Rescue Task Force is activated for deployment by the federal emergency management agency, state emergency management agency, or statewide mutual aid, a quorum of the board of directors of the affiliated fire protection district may meet in person, via telephone, facsimile, internet, or any other voice or electronic means, without public notice, in order to authorize by roll call vote the disbursement of funds necessary for the deployment.

4. In the event action is necessary under subsection 3 of this section, the board of directors of the affiliated fire protection district shall keep minutes of the emergency meeting and disclose during the next regularly scheduled meeting of the board that the emergency meeting was held, the action that precipitated calling the emergency meeting without notice, and that the minutes of the emergency meeting are available as a public record of the board.
