

HB 1330 -- STATE PARKS

SPONSOR: Pietzman

This bill prohibits the Department of Natural Resources from accepting or acquiring any land for the purpose of establishing a new state park unless all existing state parks and their facilities are brought up-to-date and in good working order. All funds generated by a state park must remain and be reinvested in the state park and may not be expended for any other purpose.

This bill is the same as HB 698 (2017).
