

HB 1521 -- STATEWIDE ATHLETIC ORGANIZATIONS

SPONSOR: Cookson

This bill requires MSHSAA to appear before the Joint Committee on Education and present information related to its activities, as described within the bill. Such information must contain the following: the annual report on the impact of concussions and head injuries, a copy of any audit performed on the organization within the previous 12 months, and any other information or report requested by a member of the committee.

This bill is the same as HB 584 (2017).
