

HB 1621 -- PREVAILING WAGE

SPONSOR: Rehder

This bill repeals Missouri's prevailing wage law. Currently, contractors and subcontractors working on public works projects are required to pay employees the prevailing wage for the particular locality in which the project is being completed. This bill changes the law to require contractors and subcontractors to pay employees state or federal minimum wage, whichever is higher.

This bill is similar to HB 1436 (2018) and HB 104 (2017).
