

HB 2217 -- TRAUMA-INFORMED CARE

SPONSOR: Walker (74)

This bill establishes the "Trauma-Informed Care for Children and Families Board," which must enter into a public-private partnership to promote healthy development of children and their families by promoting comprehensive trauma-informed children and family support systems and interagency cooperation.

The board shall consist of specified members that include two private sector members and two members of the House of Representatives to be appointed by the Speaker.
