

HB 2379 -- CULTURAL COMPETENCY TRAINING

SPONSOR: Walker (74)

This bill allows health care professionals to annually complete up to two hours of cultural competency training as part of the continuing education requirements for licensure as a health care professional.

Psychologists are required to complete two hours of such training as a condition of initial licensure. The bill also requires behavior analysts, professional counselors, social workers, baccalaureate social workers, and marital and family therapists to complete two hours of cultural competency training as a condition of initial licensure and as a condition of license renewal. The training shall count toward any continuing education required for such license.

This bill is similar to HB 1419 (2018).
