

HB 2383 -- OFFICE OF FINANCIAL EMPOWERMENT

SPONSOR: Dogan

This bill authorizes the treasurer of certain cities to establish the Office of Financial Empowerment as a division within the Treasurer's Office, to be funded through appropriations from the parking meter fund.

The mission of the office is to educate the public about personal finances and small businesses about available support and access to banking resources. The office is given broad authority to take a variety of actions to advance its mission as detailed in the bill.
