

HB 2637 -- DESIGNATION OF CAPTIVE CERVIDS

SPONSOR: Houghton

The bill adds captive cervids to the definition of "livestock" for the purposes of the state sales and use tax law, meat inspection law, Missouri Livestock Disease Control and Eradication Law, and the Missouri Livestock Marketing Law.

For the purposes of the state sales and use tax law, the bill also specifies that "captive wildlife" only includes captive cervids and captive elk classified as wildlife and not as livestock.

This bill is similar to HB 279 (2017).
