

HB 2668 -- COUNTY CONVENTION AND SPORTS FACILITIES AUTHORITY

SPONSOR: Hannegan

This bill provides an alternative approach for tax collection and administration that a county that has adopted a county convention and sports facility tax may choose to adopt.

The date the tax is due and the penalties for not complying with the due date is set out in the bill. Interest and penalties will be computed from the original due date.

Lawsuits to enforce the collection and payment of the tax are mandated, rather than discretionary. If a suit is filed the authority will recover its litigation expenses.

Definitions for certain terms used in the county convention and sports facilities authority provisions are detailed in the bill.

Currently, appointed political subdivision officials are not eligible to serve on the authority. The bill removes the restriction.
