15 to impose a tax under this section.

16 2. The ballot of submission for the tax authorized [in] under this section shall be in

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect on the first day of the first calendar quarter immediately following notification to the director of ~~the~~ ~~department of~~ revenue of the election approving the proposal. If a proposal receives less than the required majority, then the governing authority of the city shall have no power to impose the sales tax unless and until the governing authority of the city has submitted another proposal to authorize the imposition of the sales tax authorized ~~by~~ under this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal ~~[pursuant to]~~ under this section be submitted to the voters sooner than twelve months from the date of the last proposal ~~[pursuant to]~~ under this section.

3. On and after the effective date of any tax authorized ~~[in]~~ under this section, the city may adopt one of the two following provisions for the collection and administration of the tax:

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved.

(2) Once the tax is repealed as provided ~~[in]~~ under this section, all funds remaining in any trust fund or account established to receive revenues generated by the tax shall be used solely for the original stated purpose of the tax. (3) The governing authority of a city repealing a tax ~~[pursuant to]~~ under this section shall notify the director of revenue of the action at least forty-five days before the effective date of the repeal and the director of revenue may order retention in any trust fund created in the state treasury associated with the tax, for a period of one year, of two percent of the amount collected after receipt of such notice to cover refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of repeal of the tax in the city, the director of revenue shall remit the balance in the trust fund to the city and close the account of that city. The director of revenue shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

The tax authorized ~~[in]~~ under this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The order or ordinance shall not become effective unless the governing body of the county submits to the voters residing within the county at a state general, primary, or special election a proposal to authorize the governing body of the county to impose a tax under this section.

2. The ballot of submission for the tax authorized ~~[in]~~ under this section shall be in substantially the following form:

9 repeal was approved.

10
11 If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to
12 the repeal, then the sales tax authorized ~~[in]~~ under this section shall remain effective until the

(5) The penalties provided in section 32.057 and ~~[sections 144.010 to 144.525]~~ chapter 144 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution ~~[pursuant to]~~ under this section, all retail sales shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment, or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

(7) Subsequent to the initial approval by the voters and implementation of a sales tax in the district, the rate of the sales tax may be increased, but not to exceed a rate of one-half of one percent on retail sales as provided in this subsection. The election shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the increase of the sales tax before the voters of the district by resolution, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections, the election judges shall certify the election results to the district board of directors. The ballot of submission shall be in substantially the following form:

Shall (insert name of district) increase the (insert amount) percent district sales tax now in effect to (insert amount) in the (insert name of district)?

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to

the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of the increase, the increase shall become effective December thirty-first of the calendar year in which such increase was approved.

11. (1) There shall not be any election as provided for ~~in~~ under this section while the district has any financing or other obligations outstanding.

(2) The board, when presented with a petition signed by at least one-third of the registered voters in a district that voted in the last gubernatorial election, or signed by at least two-thirds of property owners of the district, calling for an election to dissolve and repeal the tax shall submit the question to the voters using the same procedure by which the imposing tax was voted. The ballot of submission shall be in substantially the following form:

Shall (insert name of district) dissolve and repeal the (insert amount) percent district sales tax now in effect in the (insert name of district)?

☐ YES ☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

Such subsequent elections for the repeal of the sales tax shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the repeal of the sales tax before the voters of the district, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections the election judges shall certify the election results to the district board of directors.

(3) If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of repeal, that repeal shall become effective December thirty-first of the calendar year in which such repeal was approved or after the repayment of the district's indebtedness, whichever occurs later.

12. (1) At such time as the board of directors of the district determines that further operation of the district is not in the best interests of the inhabitants of the district, and that the district should dissolve, the board shall submit for a vote in an election held throughout the district the question of whether the district should be abolished. The question shall be submitted in substantially the following form:

Shall the theater, cultural arts, and entertainment district be abolished?

☐ YES ☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(2) The district board shall not propose the question to abolish the district while there are outstanding claims or causes of action pending against the district, while the district liabilities exceed its assets, while indebtedness of the district is outstanding, or while the district is insolvent, in receivership or under the jurisdiction of the bankruptcy court. Prior to submitting the question to abolish the district to a vote of the entire district, the state auditor shall audit the district to determine the financial status of the district, and whether the district may be abolished ~~pursuant to~~ by law. The vote on the abolition of the district shall be conducted by the municipal clerk of the city, town, or village in which the district is located. The procedure shall be the same as in section 67.2520, except that the question shall be determined by the qualified voters of the entire district. No

individual subdistrict may be abolished, except at such time as the district is abolished.

(3) While the district still exists, it shall continue to accrue all revenues to which it is entitled at law.

(4) Upon receipt by the board of directors of the district of the certification by the city, town, or village in which the district is located that the majority of those voting within the entire district have voted to abolish the district, and if the state auditor has determined that the district's financial condition is such that it may be abolished ~~[pursuant to]~~ by law, then the board of directors of the district shall:

(a) Sell any remaining district real or personal property it wishes, and then transfer the proceeds and any other real or personal property owned by the district to the city, town, or village in which the district is located, including revenues due and owing the district, for its further use and disposition;

(b) Terminate the employment of any remaining district employees, and otherwise conclude its affairs;

(c) At a public meeting of the district, declare by a resolution of the board of directors passed by a majority vote that the district has been abolished effective that date;

(d) Cause copies of that resolution under seal to be filed with the secretary of state and the city, town, or village in which the district is located.

Upon the completion of the final act specified in this subsection, the legal existence of the district shall cease.

(5) The legal existence of the district shall not cease for a period of two years after voter approval of the abolition.

13. The tax authorized under this section shall comply with the provisions of section 67.495. 67.5012. 1. The provisions of sections 32.085 and 32.087 shall apply to each local sales tax approved ~~[pursuant to]~~ under sections 67.5000 to 67.5038. The question of whether to continue to impose the one-tenth of one cent local sales tax authorized under this section shall be submitted to the voters of the county every twenty-three years after the voters of that county approved the initial imposition of the tax.

2. The tax authorized under this section shall comply with the provisions of section 67.495."; and

Notwithstanding the provisions of this subsection, the governing body of any city that imposes a convention and tourism tax

1 ~~[pursuant to]~~ under sections 92.325 to 92.340 may pass an ordinance and seek voter approval to

 29 ordinance, a sales tax on all retail sales made within the city which are subject to sales tax under
 30 chapter 144. The tax authorized ~~[in]~~ under this section shall not exceed one-half of one percent, and
 31 shall be imposed solely for the purpose of providing revenues for the operation of public safety
 32 departments, including police and fire departments, which operations are defined to include, but not
 33 be limited to, compensation, pension programs, and health care for employees and pensioners of the
 34 public safety departments. The tax authorized ~~[in]~~ under this section shall be in addition to all other
 35 sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The
 36 order or ordinance shall not become effective unless the governing body of the city submits to the

 38 the governing body of the city to impose a tax under this section.

39 2. The ballot of submission for the tax authorized ~~[in]~~ under this section shall be in
 40 substantially the following form:

 47 If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to
 48 the question, place an "X" in the box opposite "NO".
 49

1 If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of
 2 the question, then the tax shall become effective on the first day of the second calendar quarter
 3 immediately following notification to the department of revenue. If a majority of the votes cast on
 4 the question by the qualified voters voting thereon are opposed to the question, then the tax shall not
 5 become effective unless and until the question is resubmitted under this section to the qualified
 6 voters and such question is approved by a majority of the qualified voters voting on the question.

7 3. All revenue collected under this section by the director of ~~[the department of]~~ revenue on
 8 behalf of any city, except for one percent for the cost of collection which shall be deposited in the
 9 state's general revenue fund, shall be deposited in a special trust fund, which is hereby created and
 10 shall be known as the "Public Safety Protection Sales Tax Fund", and shall be used solely for the
 11 designated purposes. Moneys in the fund shall not be deemed to be state funds, and shall not be
 12 commingled with any funds of the state. The director may make refunds from the amounts in the

 20 the city. Such funds shall be deposited with the treasurer of the city, and all expenditures of moneys
 21 from the fund shall be by an appropriation ordinance enacted by the governing body of the city.

22 4. On or after the effective date of the tax, the director of revenue shall be responsible for
 23 the administration, collection, enforcement, and operation of the tax, and sections 32.085 and 32.087
 24 shall apply. In order to permit sellers required to collect and report the sales tax to collect the
 25 amount required to be reported and remitted, but not to change the requirements of reporting or
 26 remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the
 27 governing body of the city may authorize the use of a bracket system similar to that authorized ~~[in]~~
 28 under section 144.285, and notwithstanding the provisions of that section, this new bracket system
 29 shall be used where this tax is imposed and shall apply to all taxable transactions. Beginning with
 30 the effective date of the tax, every retailer in the city shall add the sales tax to the sale price, and this
 31 tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the
 32 same manner as the purchase price. For purposes of this section, all retail sales shall be deemed to

 38 collection of the tax. The same sales tax permit, exemption certificate, and retail certificate required
 39 ~~[by sections 144.010 to 144.525]~~ under chapter 144 for the administration and collection of the state
 40 sales tax shall satisfy the requirements of this section, and no additional permit or exemption
 41 certificate or retail certificate shall be required; except that, the director of revenue may prescribe a
 42 form of exemption certificate for an exemption from the tax. All discounts allowed the retailer
 43 under the state sales tax for the collection of and for payment of taxes are hereby allowed and made
 44 applicable to the tax. The penalties for violations provided ~~[in]~~ under section 32.057 and ~~[sections~~
 45 ~~144.010 to 144.525]~~ chapter 144 are hereby made applicable to violations of this section. If any
 46 person is delinquent in the payment of the amount required to be paid under this section, or in the
 47 event a determination has been made against the person for the tax and penalties under this section,
 48 the limitation for bringing suit for the collection of the delinquent tax and penalties shall be the same
 49 as that provided ~~[in sections 144.010 to 144.525]~~ under chapter 144.

If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the sales tax authorized ~~in~~ under this section shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

7. Whenever the governing body of any city that has adopted the sales tax authorized ~~in~~ under this section receives a petition, signed by a number of registered voters of the city equal to at least two percent of the number of registered voters of the city voting in the last gubernatorial election, calling for an election to repeal the sales tax imposed under this section, the governing body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, the repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. After one year has elapsed after the effective date of abolition of the tax in such city, the director shall remit the balance in the account to the city and close the account of that city. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

9. The tax authorized under this section shall comply with the provisions of section 67.495. 94.413. 1. Any city with a population of more than one hundred thousand inhabitants located in a county of the first classification which does not adjoin any other county of the first classification may, if the county in which such city is located does not levy the tax prescribed ~~in~~ under section 67.729 in the same manner and by the same procedure and subject to the same penalties as ~~set out in~~ provided under section 94.577, except as otherwise provided ~~in~~ under this section, impose a sales tax of not more than one-tenth of one percent for the purpose of funding storm water control and public works projects other than stadiums or other sports facilities. The tax authorized ~~[in]~~ under this section shall not exceed one-half of one percent, and shall be imposed solely for the purpose of funding the operation, construction, or renovation of historical locations and museums to promote tourism. The tax authorized ~~[in]~~ under this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The order or ordinance shall not become effective unless the governing body of the city submits to the voters residing within the city at a state general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section.

3. The ballot of submission for the tax authorized ~~[in]~~ under this section shall be in substantially the following form:

Shall (insert the name of the city) impose a sales tax at a rate of (insert rate of percent) percent, solely for the purpose of funding the operation, construction, or renovation of historical locations and museums to promote tourism?

☐ YES ☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the tax shall become effective on the first day of the second calendar quarter immediately following notification to the department of revenue. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the tax shall not become effective unless and until the question is resubmitted under this section to the qualified voters and such question is approved by a majority of the qualified voters voting on the question.

Moneys in the fund shall not be deemed to be state funds, and shall not be commingled with any funds of the state. The director may make refunds from the amounts in the trust fund and credited to the city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such city. 5. On or after the effective date of the tax, the director of revenue shall be responsible for the administration, collection, enforcement, and operation of the tax, and sections 32.085 and 32.087 shall apply. The same sales tax permit, exemption certificate, and retail certificate required ~~[by sections 144.010 to 144.525]~~ under chapter 144 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax.  6 approved by a majority of the qualified voters voting on the question.

7 8. Whenever the governing body of any city that has adopted the sales tax authorized ~~[in]~~
 8 under this section receives a petition, signed by a number of registered voters of the city equal to at
 9 least two percent of the number of registered voters of the city voting in the last gubernatorial
 10 election, calling for an election to repeal the sales tax imposed under this section, the governing
 11 body shall submit to the voters of the city a proposal to repeal the tax. If a majority of the votes cast

 23 and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year
 24 has elapsed after the effective date of abolition of the tax in such city, the director shall remit the
 25 balance in the account to the city and close the account of that city. The director shall notify each

144.637. 1. The director of revenue shall provide and maintain a database that describes boundary changes for all taxing jurisdictions and the effective dates of such changes for the use of vendors collecting the tax imposed under sections 144.600 to 144.746.

2. For the identification of counties and cities, codes corresponding to the rates shall be provided according to Federal Information Processing Standards (FIPS) as developed by the National Institute of Standards and Technology. For the identification of all other jurisdictions, codes corresponding to the rates shall be in a format determined by the director.

3. The director shall provide and maintain a database that assigns each five- and nine-digit zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the zip code area shall apply if the area includes more than one tax rate in any level of taxing jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a vendor is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the vendor may apply the rate for the five-digit zip code area. For purposes of this section, there shall be a rebuttable presumption that a vendor has exercised due diligence if the vendor has attempted to determine the nine-digit zip code designation by utilizing software approved by the director that makes this designation from the street address and the five-digit zip code applicable to a purchase.

4. The director may provide address-based boundary database records for assigning taxing jurisdictions and associated rates which shall be in addition to the requirements of subsection 3 of this section. The database records shall be in the same approved format as the database records

If the director develops address-based assignment database records, vendors shall be required to use such database. A vendor shall use such database records in place of the five- and nine-digit zip code database records provided in subsection 3 of this section. If a vendor is unable to determine the applicable rate and jurisdiction using an address-based database record after exercising due diligence, the vendor may apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not available for a street address or if a vendor is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the vendor may apply the rate for the five-digit zip code area. For the purposes of this section, there shall be a rebuttable presumption that a vendor has exercised due diligence if the vendor has attempted to determine the tax rate and jurisdiction by utilizing software approved by the director and makes the assignment from the address and zip code information applicable to the purchase. If the director has met the requirements of subsection 3 of this section, the director may also elect to certify address-based databases provided by third parties for assigning tax rates and jurisdictions. The databases shall be in the same approved format as the database records under this section and meet the requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a). If the director certifies an address-based database provided by a third party, a vendor may use such database in place of the database provided for in this subsection.

5. The electronic databases provided in subsections 1 to 4 of this section shall be in a downloadable format as determined by the director. The databases may be directly provided by the director or provided by a third party as designated by the director. The databases shall be provided at no cost to the user of the database. The provisions of subsections 3 and 4 of this section shall not apply if the purchased product is received by the purchaser at the business location of the vendor.

6. No vendor shall be liable for reliance upon erroneous data provided by the director on tax rates, boundaries, or taxing jurisdiction assignments.

The money in the fund shall be distributed to the public school districts of the state in the manner provided in sections 163.031 and 163.087 and shall be appropriated and used for no other purpose; except that, of all refunds made of taxes collected under the provisions of sections 144.010 to 144.430 and sections 144.600 to 144.745, the appropriate percentage of any refund shall be paid from the school district trust fund, and except that the state may retain a fee as a charge for collecting and disbursing moneys so deposited, and transfers may be made from the fund as provided in section 164.013. The state collection fee shall not exceed two and one-half million dollars or one percent of the amount deposited in the fund, whichever is less. The fee shall be negotiated annually through the appropriation process. Any balance remaining in the fund at the end of an appropriation period shall not be transferred to general revenue, and the provisions of section 33.080 shall not apply to the fund. Moneys in the trust fund shall be invested by the state treasurer in the same deposits and obligations in which state funds are authorized by law to be invested, except that the deposits and obligations shall mature and become payable in time for distribution of the funds as provided in sections 163.031 and 163.087.

2. The revenue derived under paragraph (g) of subdivision (2) of section 144.605 shall be exempt from the provisions of this section and shall be deposited into the state general revenue fund established under section 33.543.
