18 required fees have been paid.

19 6. (1) The director of revenue shall issue annually or biennially a tab or set of tabs as
20 provided by law as evidence of the annual payment of registration fees and the current registration

22 additional information recorded on the tab or tabs to ensure that the tab or tabs positively correlate
23 with the license plate or plates issued by the department of revenue for such vehicle. Such tabs shall
24 be produced in each license bureau office.

32 (5) For those commercial motor vehicles and trailers registered pursuant to section 301.041,
33 the plate issued by the highways and transportation commission shall be a permanent nonexpiring
34 license plate for which no tabs shall be issued. Nothing in this section shall relieve the owner of any
35 vehicle permanently registered pursuant to this section from the obligation to pay the annual
36 registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to the
37 highways and transportation commission upon the sale or disposal of the vehicle by the owner to
38 whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a
39 replacement commercial motor vehicle when the owner files a supplemental application with the
40 Missouri highways and transportation commission for the registration of such replacement
41 commercial motor vehicle. Upon payment of the annual registration fee, the highways and
42 transportation commission shall issue a certificate of registration or other suitable evidence of
43 payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle
44 for which it is issued.

45 (6) Upon the sale or disposal of any vehicle permanently registered under this section, or
46 upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such
47 vehicle shall be returned to the highways and transportation commission and shall not be valid for
48 operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner
49 files a supplemental application with the Missouri highways and transportation commission for the

1 registration of such replacement vehicle. If a vehicle which is permanently registered under this
2 section is sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be
3 given credit for any unused portion of the annual registration fee when the vehicle is replaced by the
4 purchase or lease of another vehicle during the registration year.

5 7. The director of revenue and the highways and transportation commission may prescribe
6 rules and regulations for the effective administration of this section. No rule or portion of a rule
7 promulgated under the authority of this section shall become effective unless it has been

13 subject to the provisions of subsections 1 and 2 of section 301.030. On and after August 28, 2016,
14 owners of motor vehicles, other than apportioned motor vehicles or commercial motor vehicles
15 licensed in excess of twenty-four thousand pounds gross weight, may apply for any preexisting or
16 hereafter statutorily created special personalized license plates.

18 new license plates of such design as approved by the advisory committee under section 301.125
19 consistent with the terms, conditions, and provisions of section 301.125 and this chapter. Except as

27 section 301.131 and specialized license plates are exempt from the provisions of this subsection.
